

SINGLE SHOT 360 BUCKHAMMER RIFLE - HENRY REPEATING ARMS SINGLE SHOT 360 BUCKHAMMER 22" BBL AMERICAN WALNUT

[Home](#)

The centerfire single-shot rifle has an extensive history among hunters looking for a dependable and accurate game-getter, without having to spend more than necessary for good quality and basic function, and Henry's line of break-action one-shooters to carry on that history. Available with matte finish on steel frames and a highly polished finish on hardened brass frames, these elegantly simple rifles feature 22" round barrels, fully adjustable folding leaf rear sight and brass bead front sights Henry uses on their lever actions, a drilled and tapped provision for optional scope use, walnut front and rear furniture, a curved pistol grip wrist and solid rubber recoil pad on the steel versions, a straight English wrist and brass buttplate on the brass rifles, and a non-ejecting case extractor. These rifles use a familiar locking lever on top of the frame, behind the external hammer spur, to break the barrel open. Henry added their own touch here though- the lever can be pivoted either left or right from its center position to unlock, which works well for both lefties and righties. The action has no external manual safety; it uses a rebounding hammer that can't touch the firing pin unless the trigger's deliberately pulled, and an interlock system that doesn't allow the barrel to open if the hammer's cocked, or the barrel to close if the hammer's cocked while it's open. Quick to load or unload, safe to carry, and simple to operate. These single-shot rifles are aimed at the challenge of hunting with only one round on board, and hunters who prefer the uncomplicated durability of the design. Make no mistake though- while some might consider a single-shot an entry-level proposition, Henry builds these to the same high standards as all of their fine centerfire rifles, and not to be a budget model in any sense of the word.

Attributes

- Name: [HENRY REPEATING ARMS SINGLE SHOT 360 BUCKHAMMER 22" BBL AMERICAN WALNUT](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 430107803

Safety Instruction Guide for the SINGLE SHOT 360 BUCKHAMMER RIFLE

Introduction

Thank you for choosing the SINGLE SHOT 360 BUCKHAMMER RIFLE by Henry Repeating Arms. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read and understand these instructions before using the rifle.

General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure the safety of yourself and others by being aware of your surroundings.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the rifle for any signs of damage or wear before use.
- Use only the recommended ammunition type (360 Buckhammer) for this rifle.
- Familiarize yourself with the operation of the rifle before use.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded when not in use.
- Do not place your finger on the trigger until you are ready to shoot.
- Always use proper eye and ear protection when shooting.
- Avoid shooting in wet or windy conditions that could affect accuracy or safety.
- Be aware of your target and what lies beyond it.
- Do not use the rifle under the influence of alcohol or drugs.
- Follow local laws and regulations regarding the use of firearms.

Instructions for Installation and Usage

1. Loading the Rifle

- Open the action by pivoting the locking lever located on top of the frame.
- Ensure the barrel is pointed in a safe direction.
- Insert a single round of 360 Buckhammer ammunition into the chamber.
- Close the action securely by pushing the barrel back into place until it locks.

2. Firing the Rifle

- Ensure the rifle is aimed at your intended target.
- Check that the area is clear of people and obstacles.
- Pull the trigger to fire the rifle. The rebounding hammer design ensures safety as it will not contact the firing pin unless the trigger is pulled.

3. Unloading the Rifle

- Open the action by pivoting the locking lever.
- Remove the cartridge from the chamber.
- Always check to ensure the chamber is empty before storing or transporting the rifle.

4. Maintenance and Care

- Clean the rifle after each use to maintain performance and safety.
- Use appropriate cleaning supplies and follow the manufacturer's recommendations for care.
- Store the rifle in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- If the rifle becomes damaged beyond repair, take it to a qualified professional for safe disposal.
- Do not dispose of ammunition in regular waste; follow local guidelines for hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SINGLE SHOT 360 BUCKHAMMER RIFLE, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the model and serial number available for reference.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your SINGLE SHOT 360 BUCKHAMMER RIFLE. Always prioritize safety and responsibility while handling firearms.
