

SIDE GATE 360 BUCKHAMMER LEVER ACTION RIFLE - HENRY REPEATING ARMS SIDE GATE 360 BUCKHAMMER 20" BBL 5 ROUND AMERICAN WALNUT

[Home](#)

True to Henry form, the Side Gate Lever Action features exquisite attention to detail and a level of craftsmanship rarely seen in other modern firearms. The hardened brass receiver is as reliable as it is handsome, and the brass accents continue throughout the rifle with the buttplate and barrel band. The American walnut furniture is set off by intricate, deep checkering that will ensure a firm purchase on the stocks. A semi-buckhorn rear and ivory bead front sight accompanies a 20" round blued steel barrel to deliver the accuracy you've come to expect from a Henry. In addition to legendary Henry craftsmanship, the feature that gives this rifle its name takes center stage. The best-of-both-worlds design allows for quick reloads and top-offs so you can keep running and gunning for as long as your ammo lasts without even having to remove the stock from your shoulder. If you prefer, you can also load through the removable tube magazine, which hasn't gone away here because it also provides safe, fast unloading. The result is a rifle that lets you use it in whatever way works best for you. From whitetail hunting to days at the range, to standing as a favorite showpiece in the gun cabinet, Henry's Side Gate Lever Action is a must-have for any lever action aficionado, and it solidifies Henry as the first name in lever action rifles.

Safety Instruction Guide for SIDE GATE 360 BUCKHAMMER LEVER ACTION RIFLE

Introduction

Thank you for purchasing the SIDE GATE 360 BUCKHAMMER LEVER ACTION RIFLE from Henry Repeating Arms. This guide provides essential safety instructions and guidelines to ensure the safe use of your firearm. It is important to read and understand this guide before handling or using the rifle.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Store firearms securely and out of reach of children.
- Ensure you are familiar with the operation of your rifle before use.
- Use the correct ammunition specified for your rifle.
- Always wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure your shooting area is safe.
- Never shoot at a hard surface or water to avoid ricochets.

Specific Safety Precautions for Use

• Loading and Unloading:

- Always ensure the rifle is pointed in a safe direction when loading or unloading.
- Follow the manufacturer's instructions for loading through the side gate or the tube magazine.
- Do not load ammunition while the rifle is in a vehicle or in a crowded area.

• Shooting:

- Only shoot at authorized ranges or in areas where shooting is permitted.
- Be aware of your target and what is beyond it.
- Do not shoot if you are under the influence of alcohol or drugs.

• Maintenance:

- Regularly inspect your rifle for any signs of wear or damage.
- Clean your rifle according to the manufacturer's instructions to ensure proper function.
- Do not attempt to repair the rifle yourself; contact a qualified gunsmith for repairs.

• Transport:

- Always transport your rifle in a secure case.
- Ensure the rifle is unloaded before transport.
- Keep the rifle out of sight when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded before any handling.
- Familiarize yourself with the parts of the rifle, including the side gate and magazine.

- If applicable, install any accessories according to the manufacturer's guidelines.

2. Usage:

- To load the rifle through the side gate:
 - Open the side gate and insert the ammunition.
 - Close the side gate securely.
- To load the rifle through the tube magazine:
 - Remove the magazine cap and insert the ammunition into the tube.
 - Replace the magazine cap and ensure it is secure.
- To fire the rifle:
 - Ensure the rifle is aimed at your target.
 - Pull the trigger gently to fire.
- After firing, follow the unloading instructions to safely remove any remaining ammunition.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- Do not throw firearms in the trash. Contact local authorities or a firearms dealer for proper disposal methods.
- Ensure that all components of the rifle are disposed of in an environmentally safe manner.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included with your purchase. It is important to reach out for assistance if you have questions or concerns about the safe operation of your rifle.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SIDE GATE 360 BUCKHAMMER LEVER ACTION RIFLE. Always prioritize safety and responsibility when handling firearms.
