# SCT 43X Sub Compact Stripped Polymer Frame

## Safety Instruction Guide

### Introduction

Thank you for choosing the SCT 43X Sub Compact Stripped Polymer Frame from SCT Manufacturing. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

### General Safety Guidelines

- Always treat the frame and any firearm components as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your frame and components securely and out of reach of children and unauthorized users.
- Regularly inspect your frame and components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm assembly and use.

### Specific Safety Precautions for Use

- Ensure you are using compatible Glock® components (Glock® 43X and 48) with this frame.
- Avoid using any aftermarket parts that are not recommended by SCT Manufacturing, as they may affect performance and safety.
- Do not attempt to modify the frame or its components beyond the intended use.
- Ensure that the frame is properly assembled before use. If you are unsure, seek assistance from a certified gunsmith.
- Be aware of the weight and feel of the frame when handling and shooting.

### Instructions for Installation and Usage

#### 1. Unboxing and Inspection

- Carefully unpack the SCT 43X frame and all included components.
- Inspect each part for any visible damage or defects.

#### 2. Assembly Instructions

- Ensure you have all necessary components:
  - SCT SC polymer frame
  - Electroless nickel locking block
  - OEM trigger assembly
  - Standard polymer magazine catch
  - Magazine catch spring
  - Steel trigger pin
  - Steel locking block pin
  - Standard OEM slide lock
  - Slide lock coil spring
  - Polymer trigger housing pin
  - OEM trigger housing with ejector
  - Standard slide stop assembly
  - Polished 4.5 lb. electroless nickel trigger connector
- Follow the manufacturer's instructions for assembling the components. If you are not experienced in firearm assembly, we strongly recommend consulting a certified gunsmith.

### **3. Usage Instructions**

- Once assembled, ensure that the firearm is unloaded before handling.
- Familiarize yourself with the frame's features, such as the serrations for recoil control and the extended beaver tail.
- Practice safe handling techniques, including keeping the firearm pointed in a safe direction and using proper grip.

### **4. After Use**

- After using the firearm, clean and maintain the frame as per the manufacturer's recommendations.
- Store the frame and components in a secure location.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw components in regular household waste. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the SCT 43X Sub Compact Stripped Polymer Frame, please contact your local authorized dealer or visit the SCT Manufacturing website for more information.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we encourage responsible use and maintenance of your SCT 43X Sub Compact Stripped Polymer Frame.
