

# DDM4 V9 5.56X45 NATO SEMI-AUTO RIFLE - DANIEL DEFENSE

## DDM4 V9 5.56X45 NATO 16" BBL (1)32RD MAG BLACK

[Home](#)

The DDM4 V9 AR15 style rifle is designed to satisfy the needs of modern shooters, not only in popular shooting sports, but also for tactical and defensive applications. The long, 15 inch picatinny quad rail over a 16 inch Cold Hammer Forged barrel gives the operator the option to have the support hand extended out close to the muzzle allowing them to drive the gun more precisely, and preventing over travel when transitioning between multiple targets. This combined with our mid-length gas system, which is known to have a smoother recoil impulse, allows for quick but precise rapid fire. The longer rail also affords the shooter plenty of real estate for optics and accessories and allows for maximum sight radius for accurate shooting with rail mounted iron sights. The independently ambi GRIP-N-RIP Charging Handle accommodates left- and right-handed shooters. This rifle also comes with the ergonomic Daniel Defense Buttstock and Pistol Grip. FEATURES: LOWER RECEIVER: Mil-Spec with Enhanced Flared Magazine Well and Rear Receiver QD Swivel Attachment Point. # DDM4 V9 5.56X45 NATO SemiAuto Rifle Safety Instruction Guide

## Introduction

Thank you for choosing the DDM4 V9 5.56X45 NATO SemiAuto Rifle by Daniel Defense. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your firearm. Please read this manual carefully before use and keep it for future reference.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Use only the recommended ammunition for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify your firearm or use accessories not approved by the manufacturer.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper handling can lead to accidental discharge.
  - Misuse can cause injury to the shooter or bystanders.
  - Always ensure the safety mechanism is engaged when not in use.
- **Avoiding Hazards:**
  - Never point the firearm at anything you do not intend to shoot.
  - Be cautious of obstructions in the barrel before shooting.
  - Avoid using the firearm under the influence of drugs or alcohol.
  - Ensure a secure grip and stance when firing to prevent loss of control.
- **Age and Audience Specific Warnings:**
  - This product is intended for adult users only.
  - Keep firearms out of reach of children and educate them about firearm safety.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is unloaded before performing any installation.
  - Follow the manufacturer's instructions for attaching any accessories.
  - Use proper tools to secure components and ensure they are fitted correctly.
- **Usage:**
  - Load the magazine with the appropriate ammunition and insert it into the firearm.

- To fire, disengage the safety, aim at the target, and gently squeeze the trigger.
- After firing, maintain control of the firearm and observe the surroundings.
- When finished, engage the safety and unload the firearm.

## **Disposal Instructions**

- Dispose of the firearm responsibly and in accordance with local regulations.
- Do not discard ammunition in regular waste. Contact local authorities for proper disposal methods.
- Ensure the firearm is rendered inoperable before disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or the operation of your DDM4 V9 rifle, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your DDM4 V9 5.56X45 NATO SemiAuto Rifle. Always prioritize safety and responsible firearm handling.
