

MTX 365 10 TO 13 ROUND MAG EXTENDER ® 9MM LUGER SIG SAUER P365® - XTECH TACTICAL MTX MAG EXTENDER 10-RD TO 13-RD FOR 9MM LUGER P365 BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The best upgrade accessory for the Sig Sauer P365 yet! You can now take your Sig Sauer P365 to the length of the grip length of the P365X/XL with an improved grip by simply swapping the magazine. The MTX 365 Plus, 3 Round P365 Magazine Extension is compatible with factory 10 round magazines. This XTech Tactical extender converts the OEM Sig Sauer P365 10 round magazines to 13 round magazines. The product is also the ideal grip extension for the Sig Sauer P365 platform and works with the Wilson Combat P365 frame. The patented design allows the extender to work on the SIG mag body with inward facing tabs where other extender designs cannot be used. The included spring was engineered specifically for the P365 to allow for unmatched reliability and last round bolt hold open. XTech Tactical's MTX line of extenders are simply unmatched for reliability, ease of installation, and durability!

MTX 365 10 TO 13 ROUND MAG EXTENDER Safety Instructions

Introduction

Thank you for choosing the MTX 365 10 TO 13 ROUND MAG EXTENDER for your Sig Sauer P365. This product is designed to enhance the functionality of your magazine while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear and tear on the magazine extender and replace it if any damage is found.
- Do not attempt to modify or alter the product in any way.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms and accessories.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or removing the magazine extender.
- Follow all local laws and regulations regarding firearm accessories.
- Use only compatible magazines as specified in the product description.
- Confirm that the magazine is securely attached before use to avoid accidental detachment.
- Do not exceed the recommended capacity of the magazine extender.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Workspace:** Ensure you have a clean, flat surface to work on. Gather all necessary tools if required.
2. **Unload Your Firearm:** Before proceeding, ensure that your Sig Sauer P365 is completely unloaded.
3. **Remove the Magazine:** Press the magazine release button and remove the magazine from the firearm.
4. **Attach the Extender:**
 - Align the MTX 365 Mag Extender with the bottom of the magazine.
 - Press the extender firmly onto the magazine until it clicks into place.
5. **Check the Fit:** Ensure that the extender is securely attached and does not wobble or move.
6. **Insert the Magazine:** Place the magazine back into the firearm and ensure it is locked in place.

Usage Instructions

- When using the firearm, always maintain proper handling and safety practices.
- Regularly inspect the magazine and extender for any signs of wear or damage.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the product responsibly. Do not throw the product in regular household waste.
- Check local regulations for proper disposal methods of firearm accessories.
- If the product is damaged beyond use, consider recycling components where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding safety, please refer to the manufacturer's website or contact your local retailer for assistance. Ensure you have the product details at hand when seeking support.

Thank you for prioritizing safety while enhancing your firearm experience with the MTX 365 10 TO 13 ROUND MAG EXTENDER.
