

# GRIP EXTENSION FOR 9MM LUGER SIG SAUER P365® - XTECH TACTICAL MTX GRIP EXTENSION +0 FOR 9MM LUGER SIG SAUER P365 BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The best upgrade accessory for the Sig Sauer P365 California and Standard Frame in states restricting magazine capacity to 10rds! You can now take your Sig Sauer P365 to the length of the grip length of the P365X/XL with an improved grip by simply swapping the magazine. The MTX 365 Plus 0 P365 Magazine Extension is compatible with factory 10 round magazines. This XTech Tactical extension converts the OEM Sig Sauer P365 10 round magazines to a larger and more ideal grip and also works with the Wilson Combat P365 frame. The patented design allows the extender to work on the SIG mag body with inward facing tabs where other extender designs cannot be used. The included spring was engineered specifically for the P365 to allow for unmatched reliability and last round bolt hold open. XTech Tactical's MTX line of extenders are simply unmatched for reliability, ease of installation, and durability!

# GRIP EXTENSION FOR 9MM LUGER SIG SAUER P365 Safety Instruction Guide

## Introduction

Thank you for choosing the GRIP EXTENSION FOR 9MM LUGER SIG SAUER P365. This product is designed to enhance your shooting experience by providing an improved grip for your firearm. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Familiarize yourself with your firearm's manual and safety features.
- Use only the recommended magazines and accessories for your firearm.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the grip extension.
- Do not attempt to modify the grip extension or the firearm in any way that is not specified in the installation instructions.
- Always inspect the grip extension for any signs of damage before use.
- If you experience any issues with the grip extension, cease use immediately and seek assistance.
- The grip extension is designed for use with the Sig Sauer P365 and compatible magazines only. Do not use it with other firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Gather the necessary tools for installation (if applicable).

### 2. Installation

- Remove the magazine from the firearm.
- Take the factory 10 round magazine and ensure it is clean and free from debris.
- Align the grip extension with the bottom of the magazine.
- Press the grip extension onto the magazine until it clicks into place securely.
- Ensure that the included spring is properly installed and seated within the grip extension.

### 3. Usage

- Insert the magazine with the grip extension into your firearm.
- Ensure that the magazine is fully seated and locked in place.
- Hold the firearm with a firm grip, utilizing the enhanced grip provided by the extension.
- Follow standard firearm safety practices while using your firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If you are unsure how to dispose of the product safely, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the GRIP EXTENSION FOR 9MM LUGER SIG SAUER P365, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's official website.

By following these safety instructions, you can enjoy the benefits of your grip extension while ensuring a safe shooting experience. Thank you for prioritizing safety and responsible firearm use.
