

MTX 365 10 TO 13 ROUND MAG EXTENDER FOR 380 ACP SIG SAUER P365® - XTECH TACTICAL MTX MAG EXTENDER 10RD TO 13RD FOR 380 ACP SIG SAUER P365 BLK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The ultimate upgrade for your Sig Sauer P365 380 pistol – the MTX 365 380 Plus, 3-Round SIG P365 10 rd to 13 rd Mag Extension! Transform your standard P365 frame into the extended grip length of the P365X/XL without compromising style or functionality by swapping the magazine. Made in the USA, this innovative and patented magazine extension is 100% reliable and designed to give you total control and improved grip on your firearm. The SIG P365 Mag Extension is compatible with factory 10-round magazines for the standard P365 380 frame. Please note this only works with Sig P365 10 round magazines and standard frames. The unique design enables the extender to work on the Sig mag body with inward-facing tabs where other extenders cannot be used. This also allows for seamless integration with the P365 platform without compromising the overall aesthetics of your firearm. One of the main features of the SIG P365 Mag Extension is the custom-engineered spring, which guarantees unmatched reliability and ensures last-round bolt hold open. The MTX 365 +3 Round Magazine Extender also comes with a detailed installation video QR code to guide you through the simple process of adding this essential P365 upgrade to your firearm. Furthermore, the SIG P365 Mag Extension provides the perfect pinky extension for tactile feel and control, allowing you to maintain accuracy and precision while shooting. In addition, the grip extension dramatically improves grip and control without having to go for the XL frame, giving you the confidence to manage your firearm in any situation successfully. Lauded as one of the best P365 upgrades available on the market today, the MTX 365 +3 Round Magazine Extender with Spring for P365 takes your shooting experience to a whole new level. With its innovative, patented design, US 11,408,697 B2 and US 11,168,954 B1, and unparalleled reliability, this superior accessory is a must-have for any Sig Sauer P365 owner looking to enhance their firearm's performance and take their shooting skills to new heights.

MTX 365 10 TO 13 ROUND MAG EXTENDER FOR 380 ACP SIG SAUER P365 Safety Instruction Guide

Introduction

Thank you for choosing the MTX 365 10 to 13 Round Mag Extender for your Sig Sauer P365. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of the product. Please read this manual carefully to ensure safe handling and optimal performance.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that the firearm is unloaded before installing or handling the magazine extender.
- Be aware of your surroundings and ensure you are in a safe environment when using your firearm.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine extender for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to use the magazine extender with incompatible magazines or frames.
- Ensure that the magazine is securely attached to the firearm before use.
- Avoid excessive force when installing or removing the magazine extender.
- Always check that the lastround bolt hold open feature is functioning correctly before use.
- If you experience any malfunctions or issues during use, cease operation immediately and seek assistance.
- Use the magazine extender only as intended and in accordance with the manufacturer's guidelines.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition.
2. **Remove the Magazine:** Detach the factory 10round magazine from the firearm.
3. **Attach the Extender:**
 - Align the magazine extender with the factory magazine.
 - Press the extender firmly onto the magazine until it clicks into place.
4. **Check Fit:** Ensure that the extender is securely attached and that there are no gaps between the extender and the magazine.
5. **Reinsert the Magazine:** Place the modified magazine back into the firearm.

Usage

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm, ensuring it is properly seated.
- Test the functionality of the magazine by cycling through a few rounds in a safe environment.
- Maintain a proper grip on the firearm, utilizing the enhanced grip provided by the magazine extender for better control.

Disposal Instructions

- Dispose of the magazine extender according to local regulations and guidelines for electronic waste and

firearm accessories.

- Do not throw the product in regular household waste. Instead, check for designated disposal sites or recycling programs in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the MTX 365 10 to 13 Round Mag Extender, please refer to the manufacturer's contact information provided with the product packaging. It is important to have access to support for any safetyrelated questions or issues you may encounter.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MTX 365 10 to 13 Round Mag Extender. Thank you for prioritizing safety and responsible firearm handling.
