

# MTX 365 12 TO 15 ROUND MAG EXTENDER ® 9MM LUGER SIG SAUER P365® - XTECH TACTICAL MTX MAG EXTENDER 12-RD TO 15-RD FOR 9MM LUGER P365 BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The ultimate upgrade for your Sig Sauer P365 pistol – the MTX 365 Plus 3-Round SIG P365 12 rd to 15 rd Mag Extension! Transform your standard P365 frame into an extended grip with 15 rd capacity without compromising style or functionality by swapping the magazine. Made in the USA, this innovative and patented magazine extension is 100% reliable and designed to give you total control and improved grip on your firearm. The SIG P365 Mag Extension is compatible with factory 12-round magazines for the standard P365 frame. Please note this only works with Sig P365 12 round magazines and standard frames. The unique design enables the extender to work on the Sig mag body with inward-facing tabs where other extenders cannot be used. This also allows for seamless integration with the P365 platform without compromising the overall aesthetics of your firearm. One of the main features of the SIG P365 Mag Extension is the custom-engineered spring, which guarantees unmatched reliability and ensures last-round bolt hold open. The MTX 365 12+3 Round Magazine Extender also comes with a detailed installation video QR code to guide you through the simple process of adding this essential P365 upgrade to your firearm. Furthermore, the SIG P365 Mag Extension provides the perfect pinky extension for tactile feel and control, allowing you to maintain accuracy and precision while shooting. In addition, the grip extension dramatically improves grip and control without having to go for the XL frame, giving you the confidence to manage your firearm in any situation successfully. Lauded as one of the best P365 upgrades available on the market today, the MTX 365 12+3 Round Magazine Extender with Spring for P365 takes your shooting experience to a whole new level. With its innovative, patented design, US 11,408,697 B2 and US 11,168,954 B1, and unparalleled reliability, this superior accessory is a must-have for any Sig Sauer P365 owner looking to enhance their firearm's performance and take their shooting skills to new heights.

# MTX 365 12 to 15 Round Mag Extender Safety Instructions

## Introduction

Thank you for choosing the MTX 365 12 to 15 Round Mag Extender for your Sig Sauer P365. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the MTX 365 Mag Extender is compatible with your Sig Sauer P365 model before use.
- Always handle firearms with care and follow all safety protocols associated with firearm usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Mag Extender for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only factory 12round magazines designed for the Sig Sauer P365 with this Mag Extender.
- Ensure the Mag Extender is securely attached to the magazine before inserting it into the firearm.
- Avoid using the Mag Extender if it is damaged or if the magazine does not fit properly.
- Do not exceed the recommended capacity of the magazine to ensure reliable operation.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the magazine from your Sig Sauer P365.
- Carefully detach the base plate from the factory magazine.
- Align the MTX 365 Mag Extender with the magazine body.
- Press the extender onto the magazine until it clicks into place securely.
- Ensure that the customengineered spring is correctly positioned for optimal performance.

### 2. Usage:

- Insert the magazine with the installed Mag Extender into your Sig Sauer P365.
- Ensure that the magazine locks into place securely before attempting to fire.
- Maintain a proper grip on the firearm, utilizing the extended grip provided by the Mag Extender for better control.
- After use, remove the magazine and check for any signs of malfunction or wear.

## Disposal Instructions

- Dispose of the MTX 365 Mag Extender in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling parts where applicable.

## Contact Information for Further Support

For any inquiries or concerns regarding the MTX 365 12 to 15 Round Mag Extender, please consult the

manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MTX 365 Mag Extender. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
