

# SPEEDMAG 5.56 NATO COMBINATION MAGAZINE & SPEEDLOADER FOR AR-15 - XTECH TACTICAL SPEEDMAG COMBI MAG & SPEED LOADER 30RD ® 5.56 NATO AR-15 BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Designed with recreational shooters in mind, the XTech Tactical Speedmag offers a uniquely easy way to reload your magazines. The robust design of the magazine allows you to pull the collar down as you drop the ammunition into the magazine. This makes it possible to drop several rounds in at a time and load your magazine in a fraction of the time with far less effort. Sore thumbs are a thing of the past when hitting the range for some target practice. The Speedmag works in all Mil-Spec AR-15 lower receivers and will accept any ammunition that fits in regular mil-spec magazines like .223 Remington, 5.56 NATO, and .300 AAC Blackout.

# SPEEDMAG 5.56 NATO Combination Magazine & Speedloader Safety Instruction Guide

## Introduction

Thank you for choosing the SPEEDMAG 5.56 NATO Combination Magazine & Speedloader for AR15 by XTech Tactical. This product is designed to enhance your shooting experience by providing an efficient and easy way to reload your magazines. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and magazine before use.
- Always treat every firearm as if it is loaded.
- Store the SPEEDMAG and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the SPEEDMAG for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Do not exceed the specified capacity of 30 rounds when loading the magazine.
- Always ensure that the firearm is pointed in a safe direction before loading or unloading the magazine.
- Use only compatible ammunition types: .223 Remington, 5.56 NATO, and .300 AAC Blackout.
- Avoid using damaged or deformed ammunition, as this may cause malfunctions or unsafe conditions.
- If the magazine becomes jammed or malfunctioned, do not attempt to force it. Follow proper unloading procedures.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Magazine:** Ensure the SPEEDMAG is clean and free of debris.
2. **Load the Magazine:**
  - Pull the collar down on the SPEEDMAG.
  - Drop the ammunition into the magazine, ensuring that the rounds are oriented correctly.
  - Release the collar to secure the ammunition in place.

### Usage

- Insert the loaded SPEEDMAG into the AR15 lower receiver until it clicks into place.
- To remove the magazine, press the magazine release button and pull the magazine out.
- Always check that the magazine is properly seated in the firearm before use.

## Disposal Instructions

- Dispose of any damaged or unusable SPEEDMAGs in accordance with local waste management regulations.
- Do not discard the SPEEDMAG in regular trash if it is still functional; consider donating or recycling.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the SPEEDMAG, please refer to the manufacturer's

contact details provided with the product packaging.

## **Conclusion**

Your safety and enjoyment are our top priorities. By following these safety instructions and guidelines, you can ensure a safe and effective shooting experience with the SPEEDMAG 5.56 NATO Combination Magazine & Speedloader. Always prioritize safety and responsible use of firearms.
