

# MTX MAGAZINE EXTENDER FOR 9MM LUGER M&P SHIELD® - XTECH TACTICAL MTX MAGAZINE EXTENDER +2 FOR 9MM LUGER M&P SHIELD BLK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The M&P Shield 9mm +2, .40 S&W +1 Magazine Extender and Grip Extender is the best upgrade you can do with the Shield and Shield 2.0. The MTX Shield 9mm is compatible with factory magazines and installs in seconds. Unlike other extenders on the market, the patented design permits for a consistent internal wall throughout the extender, which is smaller than the magazine tube. The included spring was engineered specifically for the M&P Shield 9mm to allow for unmatched reliability and last round slide hold open. For use with the .40 S&W the extender uses the factory spring. XTech Tactical's MTX line of extenders are simply unmatched for reliability, ease of installation, and durability!

# MTX Magazine Extender Safety Instruction Guide

## Introduction

Thank you for choosing the MTX Magazine Extender for your M&P Shield® 9mm Luger. This product is designed to enhance your firearm's magazine capacity while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the magazine extender out of reach of children and unauthorized users.
- Ensure that the firearm is pointed in a safe direction when handling.
- Regularly inspect the magazine extender for any signs of wear or damage.
- Use only factory magazines and compatible components with the MTX Magazine Extender.
- Familiarize yourself with local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the magazine is completely empty before installing the extender.
- Do not exceed the recommended capacity of the magazine extender.
- Avoid using the extender in extreme temperatures or conditions that may affect its performance.
- If you experience any malfunction or failure during use, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Magazine:** Take the factory magazine out of the firearm.
3. **Disassemble the Magazine:** Follow the manufacturer's instructions to disassemble the magazine, if necessary.
4. **Install the Extender:**
  - Align the MTX Magazine Extender with the base of the magazine.
  - Press the extender firmly until it clicks into place.
5. **Reassemble the Magazine:** If you disassembled the magazine, reassemble it according to the manufacturer's instructions.
6. **Insert the Magazine:** Place the modified magazine back into the firearm.

### Usage Tips

- After installation, perform a function check to ensure that the magazine operates correctly.
- Practice loading and unloading the magazine in a safe environment to become familiar with its operation.
- Regularly check the magazine extender and the magazine for proper functionality.

## Disposal Instructions

- Dispose of the MTX Magazine Extender in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MTX Magazine Extender, please consult the manufacturer or your local authorized dealer. Ensure you have your product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with your MTX Magazine Extender. Always prioritize safety and responsible handling of your firearm and accessories.
