

# MTX MAGAZINE EXTENDER FOR 9MM LUGER H&K VP9® - XTECH TACTICAL MTX MAGAZINE EXTENSION 21-RD FOR 9MM LUGER H&K-VP9 BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The MTX H&K VP9 / P30 21 Round Magazine Extender is compatible with factory magazines and installs in seconds. This XTech extender converts HK 15 or 17 round magazines to 21 rounds. Unlike other extenders on the market, the Patented design of the MTX permits for a consistent internal wall throughout the extender, which is smaller than the magazine tube. The included spring was engineered specifically for the VP9 / P30 to allow for unmatched reliability and last round bolt hold open. XTech Tactical's MTX line of extenders are simply unmatched for reliability, ease of installation, and durability!

# MTX Magazine Extender for 9mm Luger H&K VP9 Safety Instruction Guide

## Introduction

Thank you for choosing the MTX Magazine Extender for your H&K VP9. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this manual carefully before using the magazine extender.

## General Safety Guidelines

- Ensure that the magazine extender is used only with compatible factory magazines.
- Do not modify the magazine extender or any related components.
- Always handle firearms and ammunition with care and follow all applicable laws and regulations.
- Store the magazine extender in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine extender for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magazine extender.
- Use the magazine extender only for its intended purpose: to increase the capacity of the H&K VP9 magazines.
- Avoid using the magazine extender in extreme temperatures or conditions that may affect its performance.
- Do not exceed the recommended capacity of 21 rounds as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe environment when using firearms equipped with the magazine extender.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the magazine is removed from the firearm.
- Align the magazine extender with the base of the factory magazine.
- Press the extender firmly onto the magazine until it clicks into place.
- Verify that the extender is securely attached by gently pulling on it.

### 2. Loading the Magazine:

- Load the magazine with 21 rounds of 9mm ammunition.
- Ensure that the ammunition is seated properly within the magazine.
- Avoid overloading the magazine, as this may cause malfunction.

### 3. Using the Magazine:

- Insert the magazine into the firearm as per the manufacturer's instructions.
- Ensure the magazine is fully seated in the firearm before attempting to fire.
- Always keep the firearm pointed in a safe direction when loading or unloading.

### 4. Removing the Magazine Extender:

- Ensure the firearm is unloaded and the magazine is removed.

- Press the release button on the magazine extender (if applicable) to detach it from the magazine.
- Store the magazine and extender separately in a secure location.

## **Disposal Instructions**

- Dispose of the magazine extender in accordance with local regulations.
- If the magazine extender is damaged or no longer usable, do not attempt to repair it. Instead, recycle or dispose of it properly.

## **Contact Information for Further Support**

For questions or concerns regarding the MTX Magazine Extender, please refer to the manufacturer's contact information provided with the product.

By following these guidelines and instructions, you can ensure the safe and effective use of your MTX Magazine Extender for the H&K VP9. Thank you for your attention to safety.
