The Full-Size M&P9® and M&P9 2.0® +5 Magazine Extender is compatible with factory magazines and installs in seconds. Unlike other extenders on the market, The Patented design of the MTX® permits for a consistent internal wall throughout the extender, which is smaller than the magazine tube. The included spring was engineered specifically for the M&P9® line to allow for unmatched reliability and last round slide hold open. XTech® Tactical's MTX® line of extenders are simply unmatched for reliability, ease of installation, and durability!"

# MTX Magazine Extension Safety Instruction Guide

## Introduction

Thank you for choosing the MTX Magazine Extension for 9mm Luger M&P9® and M&P9 2.0®. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and effective experience with your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure you are familiar with the operation of your firearm before using the magazine extension.
- Always follow the manufacturer's instructions for your firearm.
- Use only factory magazines that are compatible with the MTX Magazine Extension.
- Inspect the magazine extension and your firearm for any signs of damage or wear before use.
- Keep the magazine extension and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended capacity of the magazine extension.
- Ensure the firearm is unloaded before installing or removing the magazine extension.
- Avoid using the magazine extension in extreme temperatures or conditions that may affect its performance.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- If you notice any malfunctions or issues while using the magazine extension, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Verify that your firearm is unloaded and pointed in a safe direction.
2. **Remove Factory Magazine:** Take out the factory magazine from your firearm.
3. **Attach the Magazine Extension:**
  - Align the MTX Magazine Extension with the bottom of the factory magazine.
  - Firmly press the extension onto the magazine until it clicks into place.
4. **Insert the Included Spring:** Ensure the included spring is installed correctly for optimal performance.
5. **Test the Fit:** Gently pull on the magazine extension to confirm it is securely attached.

### Usage Instructions

- Load the magazine according to the manufacturer's guidelines.
- Insert the magazine into the firearm until it locks in place.
- Always perform a function check before using the firearm to ensure proper operation.
- When finished using the firearm, remove the magazine extension and store it safely.

## Disposal Instructions

- Dispose of the MTX Magazine Extension in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for plastic and metal components if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the MTX Magazine Extension, please refer to the manufacturer's website or contact customer support. Ensure you have your product details ready for assistance.

By following these safety instructions and guidelines, you can ensure a secure and enjoyable experience with your MTX Magazine Extension. Thank you for your attention to safety.
