Safety Instruction Guide for MAGAZINE CONVERSION KIT W/O SPRING 15 TO 17 ROUND FOR H&K VP9® XTECH TACTICAL CONVERSION KIT 15RD TO 17RD FOR HK VP9 & P30 W/O SPRING BLK

Introduction

Thank you for choosing the MAGAZINE CONVERSION KIT designed for the H&K VP9 and P30. This conversion kit allows you to convert your 15round factory magazines to 17 rounds quickly and easily. Please read this safety instruction guide carefully to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the conversion kit and all related components out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage before use.
- If you encounter any issues or concerns regarding the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always handle your firearm with care and treat it as if it is loaded.
- Do not attempt to use the conversion kit with any magazines other than those specified (VP9 and P30 15round factory magazines).
- Ensure that the firearm is unloaded before installing or removing the conversion kit.
- Do not exceed the recommended capacity of 17 rounds when using the conversion kit.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Firearm:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Magazine:** Take out the factory 15round magazine from your VP9 or P30.
3. **Install the Conversion Kit:**
 - Align the conversion kit with the magazine.
 - Insert the conversion kit into the magazine until it is firmly seated.
4. **Check for Proper Fit:** Ensure that the conversion kit is securely attached and that there are no gaps between the kit and the magazine.
5. **Load the Magazine:** Load a maximum of 17 rounds into the converted magazine.
6. **Reinsert the Magazine:** Place the converted magazine back into the firearm.

Usage Instructions

- Always ensure that the magazine is properly seated in the firearm before firing.
- Monitor the performance of the conversion kit during use. If you notice any malfunctions, cease use immediately.
- Follow all local laws and regulations regarding magazine capacity and firearm usage.

Disposal Instructions

- Dispose of the conversion kit and any related components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling or hazardous waste facilities that accept firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding this product, please consult your local authorized dealer or the manufacturer's customer support resources. Always ensure that you are following the latest safety guidelines and product updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MAGAZINE CONVERSION KIT. Thank you for your attention to these important guidelines.
