The MAG47 GEN2 is world's gold standard for AK47 magazines. The top-of-the-line 30 Round AK47 Magazine specifically designed to meet AK enthusiasts' high standards and requirements. The MAG47 features the most advanced polymer in the firearms industry and stainless steel reinforced lugs and feedlips. The MAG47 is also the most compatible AK47 magazine ever made and will fit more AK style rifles than any other magazine. This American-made AK mag boasts the most robust and reliable polymer construction in the market, making it an essential addition to your collection. With supreme durability and unmatched performance, the MAG47 GEN2 embodies the enduring legacy of the dependable AK47 platform. The MAG47 GEN2 AK magazine features stainless steel reinforced feed lips and locking lugs, offering unparalleled strength in critical areas. Its super rugged composite construction ensures that your AK mag will withstand the rigors of extensive use, while the spring anti-bind mechanism guarantees flawless functioning. In addition, the stainless steel spring provides added durability, and the quick-release base plate makes cleaning a breeze. Compatibility is a high priority for the MAG47 GEN2, designed to fit most AK47 models securely. With extensive testing of over 20,000 rounds fired, this AK magazine has proven its exceptional reliability and is meticulously designed to fit every rifle tested perfectly. For those looking for a version with a Bolt Hold Open, consider the MAG47 BHO 30 Round AK47 Magazine. The MAG47 GEN2 boasts a 30-round capacity, providing ample ammunition for all your shooting needs. Please note that this product will not ship to CA, CO, Cook County, IL, MD, MA, NJ, NY, VT, DC, CT, HI, WA, or international destinations. Upgrade your AK47 experience with the MAG47 GEN2 – the strongest and most reliable polymer AK magazine on the market today. Invest in quality and embrace the unmatched performance this AK mag offers, staying true to the legendary reliability of the iconic AK47 platform. To really step up your accuracy, consider XTech Tactical AK47 Front Sight Tool and take your accuracy to a new level.

MAG47 GEN2 7.62X39MM MAGAZINE FOR AK47

Safety Instruction Guide

Introduction

Thank you for choosing the MAG47 GEN2 7.62X39MM Magazine for your AK47. This guide provides essential safety instructions and guidelines to ensure safe usage and maintenance of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe handling of the magazine at all times.
- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Store the magazine in a secure place when not in use.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.

Specific Safety Precautions for Use

- Do not use the magazine if it shows any signs of damage, such as cracks or deformities.
- Only use the magazine with compatible AK47 models to avoid malfunction.
- Avoid exposing the magazine to extreme temperatures or moisture, as this may affect its performance.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify or alter the magazine in any way.
- When loading or unloading the magazine, keep the muzzle of the firearm pointed in a safe direction.
- Always keep your finger off the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine into the magazine well until you hear a click, indicating it is securely in place.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing upwards.
- Insert the cartridges into the magazine, ensuring they are oriented correctly.
- Continue loading until the magazine is filled to its maximum capacity of 30 rounds.
- Avoid overloading the magazine, as this may cause malfunctions.

3. Unloading the Magazine:

- Remove the magazine from the firearm by pressing the magazine release button.
- Hold the magazine over a safe area and gently push the follower down to release the cartridges.
- Store any unused cartridges in a safe and secure manner.

4. Cleaning and Maintenance:

- Regularly clean the magazine to ensure optimal performance.

- Use a soft cloth to wipe down the exterior and remove any dirt or debris.
- Avoid using harsh chemicals that may damage the polymer material.
- Inspect the feed lips and locking lugs for wear and tear during cleaning.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the magazine in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MAG47 GEN2 magazine, please reach out to the manufacturer or authorized dealer for assistance. Ensure you have your product details ready for a more efficient response.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your MAG47 GEN2 magazine. Thank you for your attention to safety.
