

# **TSS TURKEY FOR BERETTA/BENELLI MOBIL CHOKE TUBES - CARLSONS TSS TURKEY .410 BERETTA/BENELLI MOBIL**

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Carlson's TSS Turkey Choke Tubes are optimized for Federal Premium® Heavyweight® TSS Turkey Loads but also work exceptionally well with other manufacturer's turkey ammunition (Smaller shot size 7-9). The Federal Premium's Heavyweight TSS Turkey Load has an incredibly high pellet count in both 7 and 9 shot, along with the ability to carry energy further, makes them ideal for .410, 20ga, and 12ga. Tungsten Super Shot (TSS) has a 22% heavier density than heavyweight shot and a 56% heavier density than traditional lead shot. It puts the maximum amount of pellets possible in a 10" circle at 40 yds. The Heavyweight TSS shells will include the Flite Control Flex™ wad that gives hunters the ability to shoot any choke tube they prefer. Long-range turkeys don't stand a chance.

## **Attributes**

- Name: [CARLSONS TSS TURKEY .410 BERETTA/BENELLI MOBIL](#)
- Manufacturer: [CARLSONS](#)
- Product no.: 430107955
- Mfr. No.: 38031

# TSS Turkey Choke Tubes Safety Instruction Guide

## Introduction

Thank you for choosing Carlson's TSS Turkey Choke Tubes for your Beretta or Benelli shotgun. This guide provides essential safety information and instructions to ensure the safe and effective use of your choke tubes. Please read this manual carefully before use.

## General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that your shotgun is unloaded when installing or removing the choke tube.
- Use only the recommended ammunition types with your choke tubes to avoid malfunctions or accidents.
- Keep choke tubes and ammunition out of reach of children and unauthorized users.
- Regularly inspect your choke tubes for wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is clear of people and obstacles.
- Do not shoot at hard surfaces or water to prevent ricochets.
- Be aware of your target and what is beyond it before firing.
- Avoid using choke tubes that are damaged or show signs of excessive wear.
- Do not modify the choke tubes in any way.
- When using TSS ammunition, be aware of its increased density and energy, which can result in a longer effective range.

## Instructions for Installation and Usage

### 1. Installation of Choke Tube

- Ensure your shotgun is unloaded.
- Using a choke tube wrench, carefully unscrew the existing choke tube from the shotgun barrel.
- Align the threads of the TSS Turkey Choke Tube with the threads in the barrel.
- Handtighten the choke tube until snug, then use the wrench to secure it further, but do not overtighten.

### 2. Usage Guidelines

- Load your shotgun with the appropriate TSS Turkey Load (size 79 shot recommended).
- Check the choke tube before each use to ensure it is securely installed.
- Follow proper shooting techniques and practices to maximize safety and performance.

### 3. PostUse Care

- After shooting, clean the choke tube according to the manufacturer's instructions.
- Store the choke tube in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of used or damaged choke tubes in accordance with local regulations.
- Do not throw away choke tubes in regular household waste.
- Contact local authorities for information on proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please reach out to the designated EU contact point provided with your product packaging or on the manufacturer's website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable shooting experience with your Carlson's TSS Turkey Choke Tubes. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
