# Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR BERETTA/BENELLI MOBIL CHOKE TUBES

## Introduction

Thank you for choosing the Carlson's Flush Mount Replacement for Beretta/Benelli Mobil Choke Tubes. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model before use.
- Always handle firearms and ammunition responsibly and in accordance with local laws and regulations.
- Store your choke tubes and firearms in a secure place, out of reach of children and unauthorized users.
- Regularly inspect choke tubes for signs of wear or damage before and after use.
- Report any unsafe products or accidents to relevant authorities.

## Specific Safety Precautions for Use

- Only use the recommended types of shot: Steel, Lead, and HeviShot.
- Do not use steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
- Avoid using the choke tubes with any ammunition not specified in this guide.
- Be aware that misuse of choke tubes can lead to malfunctions or accidents.
- Always ensure that the shotgun is unloaded when installing or removing choke tubes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Use a choke wrench to remove the existing choke tube by turning it counterclockwise.
- Clean the threads of the choke tube and the barrel with a clean cloth.
- Insert the new choke tube into the barrel and handtighten it by turning clockwise.
- Use the choke wrench to secure the choke tube firmly, but do not overtighten.

### 2. Usage:

- Always check that the choke tube is properly installed before firing.
- Familiarize yourself with the specific constriction of the choke tube you are using.
- Practice safe shooting habits and follow all firearm safety protocols.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes responsibly.
- Do not dispose of choke tubes in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

- For any safety inquiries or concerns regarding the product, please reach out to the appropriate contact

point in your region.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Carlson's Flush Mount Replacement for Beretta/Benelli Mobil Choke Tubes. Thank you for your attention to these important safety guidelines.
