# Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR BERETTA/BENELLI MOBIL CHOKE TUBES

## Introduction

Thank you for choosing the FLUSH MOUNT REPLACEMENT FOR BERETTA/BENELLI MOBIL CHOKE TUBES by Carlson's. This guide provides essential safety instructions and information to ensure the safe and effective use of your choke tubes. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety**
  - Ensure that the choke tubes are suitable for your specific Beretta or Benelli shotgun model.
  - Always inspect the choke tubes for any signs of damage or wear before use.
- **Enhanced Recalls**
  - Stay informed about any recalls related to this product. Regularly check the EU Safety Gate platform for updates.
- **Online Shopping**
  - Purchase choke tubes only from authorized and reputable retailers to ensure product safety and compliance.
- **Special Consumer Focus**
  - Keep choke tubes out of reach of children and vulnerable individuals to prevent accidental injury.
- **EU Contact Point**
  - For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts**
  - Be aware of any alerts regarding product safety and take appropriate actions as advised.

## Specific Safety Precautions for Use

- Always use the correct gauge and type of choke tube for your shotgun.
- Do not use steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
- Ensure that the choke tube is securely installed before firing.
- Avoid using damaged or worn choke tubes, as they may lead to malfunctions or injuries.
- Follow all local laws and regulations regarding the use of shotgun accessories.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before installing the choke tube, ensure that your shotgun is unloaded and pointed in a safe direction.
2. **Remove Existing Choke:** If necessary, use a choke wrench to remove the existing choke tube from your shotgun.
3. **Clean Threads:** Clean the threads of the choke tube and the shotgun barrel to ensure a proper fit.
4. **Install New Choke:**
  - Insert the new choke tube into the barrel.
  - Handtighten the choke tube until it is snug.
  - Use a choke wrench to tighten the choke tube further, ensuring it is secure but not overtightened.
5. **Check Installation:** Verify that the choke tube is properly installed and does not wobble.

## **Usage Instructions**

- Always wear appropriate eye and ear protection while shooting.
- Ensure that the choke tube is suitable for the type of ammunition being used.
- Follow the manufacturer's recommendations for the specific choke tube and shotgun combination.
- Regularly check the choke tube for signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes according to local regulations.
- Do not dispose of choke tubes in regular household waste. Check for recycling options or designated disposal facilities.

## **Contact Information for Further Support**

For any inquiries, concerns, or to report unsafe products, please refer to the contact information provided by your retailer or the manufacturer.
