# Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR BERETTA/BENELLI MOBIL CHOKE TUBES

## Introduction

Thank you for choosing the Carlson's Flush Mount Replacement for Beretta/Benelli Mobil Choke Tubes. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use this product safely.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling of firearms and ammunition.
- Always follow the manufacturer's instructions for your shotgun.
- Only use ammunition that is compatible with the choke tube.
- Regularly inspect the choke tube for any signs of wear or damage before use.
- Store the choke tube in a safe and dry location when not in use.
- Always keep firearms pointed in a safe direction, even when loading or unloading.

## Specific Safety Precautions for Use

- Do not use steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
- Avoid using chokes with ammunition types not specified in the product guidelines.
- Ensure that the choke tube is properly installed before using the shotgun.
- If you experience any unusual sounds or performance issues, cease use immediately and inspect the choke tube.
- Keep the choke tube away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the shotgun using the appropriate tool.
- Clean the threads of the shotgun's choke tube socket to remove any debris.
- Screw the Carlson's Flush Mount Choke Tube into the socket by hand, ensuring it is snug but not overly tight.
- Use the choke tube tool to tighten it securely.

### 2. Usage:

- Load your shotgun with compatible ammunition.
- Always check that the choke tube is securely installed before firing.
- Follow all safety practices for handling and shooting firearms.
- After use, remove the choke tube and clean it to prevent rust and damage.

## Disposal Instructions

- Dispose of the choke tube in accordance with local regulations regarding metal waste.
- Do not dispose of the choke tube in regular household waste.
- Consider recycling the choke tube if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safer and more enjoyable experience with your Carlson's Flush Mount Replacement for Beretta/Benelli Mobil Choke Tubes. Thank you for your attention to safety.
