

# BERETTA/BENELLI TACTICAL BREECHER 12 GAUGE CHOKE TUBES - CARLSONS TACT BREECHER 12 GA CYLINDER FOR BERETTA/BENELLI BLK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Provides An Extra Wide Shot Pattern; Serrated Tip Aids In Door Breaching

Machined steel, extended tactical choke with large diameter bore provides extra wide patterns at close range for home defense or CQB operations. Features a serrated, saw-tooth tip that holds tight against locks and hinges to prevent the muzzle from sliding during forced entry operation. Twelve, equally spaced ports redirect combustion gases to reduce felt recoil and prevent barrel damage when used for forced entry. Knurled gripping surface makes it easy to install and remove the choke without special tools. Precision machined from 1704 stainless steel for maximum strength, then treated with a manganese phosphate finish for improved wear resistance. Models available for Beretta/Benelli shotguns, 12 gauge only. Can be used with lead, buckshot, hevishot, or steel shot without damage.

# Consumer Safety Instruction Guide for BERETTA/BENELLI Tactical Breecher 12 Gauge Choke Tubes

## Introduction

Thank you for choosing the BERETTA/BENELLI Tactical Breecher 12 Gauge Choke Tubes by Carlson's. This guide provides essential safety information and instructions to ensure safe usage and maintenance of your product. Please read this guide carefully before using the choke tubes.

## General Safety Guidelines

- Always treat firearms and ammunition with respect and handle them safely.
- Ensure that the choke tubes are compatible with your specific shotgun model.
- Inspect the choke tubes before each use for any signs of damage or wear.
- Use only approved ammunition types with the choke tubes to prevent damage.
- Keep choke tubes and firearms out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage and ownership.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction or damage to the firearm.
- Using incompatible ammunition can cause injury or damage.
- Excessive recoil may occur if the choke is not used as intended.

- **Instructions for Avoiding Hazards:**

- Always ensure that the firearm is unloaded before installing or removing the choke tube.
- Use the choke tube only for its intended purpose (tactical applications).
- Avoid using the choke tube in conditions that may expose it to extreme temperatures or corrosive materials.
- Regularly check the choke for tightness and secure fit before use.

- **Age or Audience Specific Warnings:**

- This product is intended for adult users only. Keep out of reach of children.
- Ensure that any inexperienced users are supervised by a qualified adult.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is completely unloaded.
2. Using your hands, unscrew the existing choke tube from the shotgun barrel.
3. Clean the threads of the barrel to remove any debris.
4. Align the new choke tube with the threads of the barrel and handtighten it until secure.
5. Use a wrench if necessary, but do not overtighten as this may cause damage.

- **Usage:**

- Load the firearm with appropriate ammunition (lead, buckshot, hevishot, or steel shot).
- Aim the firearm safely and ensure that the target area is clear.
- Fire the weapon while maintaining control to manage recoil.
- After use, clean the choke tube and firearm to prevent corrosion and ensure longevity.

## **Disposal Instructions**

- Dispose of the choke tubes in accordance with local regulations regarding metal recycling.
- Do not dispose of in regular household waste.
- If the product is damaged or no longer functional, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please consult the product packaging for the EU-based contact information. Additionally, you can report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

By adhering to these guidelines, you can ensure a safe and effective experience with your BERETTA/BENELLI Tactical Breecher 12 Gauge Choke Tubes. Thank you for your attention to safety and responsible firearm use.
