## CARLSON'S REMINGTON 870 12GA REPLACEMENT SHOTGUN BARRELS

Carlson's high quality accessory barrels are made for Remington 870® models. All barrels are constructed from certified ordinance grade 4140 steel with chrome lined bores. Vent rib models have a satin matte blue finish with red fluorescent front sight and brass center bead. All 18 1/2" barrels are non vent ribbed and have a ramped front sight with a matte finish. Each barrel comes with a Carlson choke tube, manufactured from 17-4 stainless steel except for the rifled choke tube models which are made from 304 high stress stainless steel, installed. All of our Remington 870® replacement barrels are threaded for the standard Rem Choke system. Enhance the versatility and performance of your shotgun with a Carlson's replacement shotgun barrel. Fits Remington 870 12ga only. \*\*\*For Remington 870, 12 gauge, RIGHT HAND ONLY\*\*\* DOES NOT FIT REMINGTON TACTICAL 870

# Safety Instruction Guide for Carlson's Replacement Shotgun Barrel for Remington 870

## Introduction

Thank you for choosing Carlson's Replacement Shotgun Barrel for your Remington 870. This guide provides essential safety instructions, installation guidelines, and information on proper usage to ensure a safe and enjoyable experience with your new product. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded, even when it is not.
- Ensure that the shotgun is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Store the shotgun and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the shotgun barrel for any signs of damage or wear before use.
- Use only the recommended ammunition for your shotgun model.
- Be aware of your surroundings and ensure a clear shooting area.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are at least 18 years old. Ensure that minors are supervised by an adult when using firearms.
- **RightHand Use Only:** This replacement barrel is designed for righthand use only. Ensure compatibility before installation.
- **NonVent Ribbed Barrels:** The 18 1/2" barrels are nonvent ribbed and have a ramped front sight. Use caution when aiming and firing.
- **Choke Tubes:** Always ensure that the choke tube is properly installed before use. Check for any obstructions in the barrel.
- **Shooting Range:** Use this shotgun barrel only at designated shooting ranges or areas where shooting is permitted.

## Instructions for Installation and Usage

### Installation

1. **Safety First:** Ensure the shotgun is unloaded and pointed in a safe direction.
2. **Remove Existing Barrel:** Loosen the magazine cap and slide the forend forward to detach the existing barrel.
3. **Attach Replacement Barrel:** Align the new Carlson's barrel with the receiver and ensure it is securely locked in place.
4. **Install Choke Tube:** If applicable, install the Carlson choke tube by threading it into the barrel's choke end until snug.
5. **Check Alignment:** Ensure the barrel is properly aligned and secured before proceeding.

### Usage

- **Loading:** Load the shotgun according to the manufacturer's instructions and ensure the safety is engaged until ready to fire.
- **Sighting:** Use the red fluorescent front sight and brass center bead for accurate aiming.
- **Firing:** When ready, disengage the safety and fire in a controlled manner. Always be aware of your target and what lies beyond it.

- **Maintenance:** Clean the barrel regularly to prevent buildup and ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- When disposing of the shotgun barrel or any firearm components, follow local laws regarding hazardous materials and firearms disposal.
- If the product is no longer usable, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can help ensure your safety and the safety of others while using Carlson's Replacement Shotgun Barrel for Remington 870. Always prioritize safety and responsible firearm handling. Enjoy your shooting experience!
