

TOMAHAWK II LPVO 1-4X24MM SFP ILLUMINATED RIFLE SCOPE - SWAMPFOX OPTICS TOMAHAWK II LPVO 1-4X24MM SFP ILLUMINATED RED BDC BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Tomahawk II represents the next generation of Swampfox's Second Focal Plane LPVO line, designed with direct input from the end users. With increased optical performance in mind, Tomahawk II is designed for ease of use with a forgiving eye box and expansive field of view. The Tomahawk II comes with red or green BDC or the new BFO (Bright Fiber Optic) reticles. This LPVO, housed in a 30mm tube and includes push/pull locking elevation with zero reset, capped windage and 12 illumination settings with intermittent off positions. Clarity and universal application are key for the Tomahawk II series.

TOMAHAWK II LPVO 14X24MM SFP ILLUMINATED RIFLE SCOPE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TOMAHAWK II LPVO 14X24MM SFP ILLUMINATED RIFLE SCOPE by Swampfox Optics. This guide provides essential safety instructions and guidelines for the safe use of your rifle scope, ensuring a positive experience while using the product. Please read this manual carefully before using the scope to understand how to operate it safely and effectively.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat the rifle scope as if it is loaded.
- Use the scope only for its intended purpose.
- Ensure the rifle is pointed in a safe direction when handling.
- Keep the scope and all accessories out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear.
- Do not attempt to disassemble the scope; it is designed for professional assembly only.
- Be aware of your surroundings and ensure that you have a clear line of sight before using the scope.

Specific Safety Precautions for Use

When using the TOMAHAWK II LPVO, please observe the following safety precautions:

- **Eye Protection:** Always wear appropriate eye protection when using the rifle equipped with this scope.
- **Proper Mounting:** Ensure that the scope is securely mounted on the rifle to prevent movement during use.
- **Illumination Settings:** Use the illumination settings responsibly. Avoid using high settings in lowlight conditions as it may cause temporary blindness.
- **Moisture and Dust:** Protect the scope from moisture and dust. Use a lens cover when not in use.
- **Temperature Extremes:** Avoid exposing the scope to extreme temperatures. Store it in a controlled environment.
- **Battery Safety:** Use only the specified CR2032 battery. Dispose of used batteries properly and do not attempt to recharge nonrechargeable batteries.

Instructions for Installation and Usage

To install and use the TOMAHAWK II LPVO correctly, follow these steps:

Installation

1. Mount the Scope:

- Select a suitable mounting base compatible with the 30mm tube.
- Securely attach the scope to the rifle using the mounting rings.
- Ensure that the scope is level and aligned with the barrel.

2. Adjust the Turrets:

- Set the elevation and windage turrets to zero before sighting in your rifle.
- Use the push/pull locking mechanism for elevation adjustments.

3. **Insert the Battery:**

- Open the battery compartment located on the side of the turret.
- Insert the CR2032 battery with the positive (+) side facing up.

Usage

1. **Adjust Eye Relief:**

- Position yourself comfortably behind the scope and adjust the eye relief to ensure a clear sight picture.

2. **Select Magnification:**

- Rotate the magnification ring to select the desired level of magnification (1x to 4x).

3. **Illumination Settings:**

- Use the illumination turret to adjust the brightness of the reticle. Choose from 12 settings as needed.

4. **Sight In Your Rifle:**

- Follow standard procedures for sighting in your rifle, making adjustments based on your shooting distance.

5. **Maintenance:**

- Clean the lenses regularly with a soft, lintfree cloth.
- Store the scope in a dry place when not in use.

Disposal Instructions

Proper disposal of the TOMAHAWK II LPVO is essential for environmental safety:

- **Scope Disposal:** When the scope reaches the end of its life, dispose of it according to local regulations for electronic waste.
- **Battery Disposal:** Dispose of used batteries at designated recycling centers. Do not throw them in regular trash.

Contact Information for Further Support

For any inquiries regarding safety, product issues, or further assistance, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready for faster support.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your TOMAHAWK II LPVO 14X24MM SFP ILLUMINATED RIFLE SCOPE. Always prioritize safety and be aware of your surroundings while using the scope. Thank you for your attention to these guidelines.
