# SMART ASSIST MOUNTS REAL AVID SMARTASSIST MAGNETIC MOUNT Safety Instructions

## Introduction

Thank you for choosing the SMART ASSIST MOUNTS REAL AVID SMARTASSIST MAGNETIC MOUNT. This product is designed to enhance your workspace efficiency by providing handsfree assistance. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Regularly inspect the mount for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe product experiences to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Magnetic Safety:** The Magnetic Mount contains strong magnets. Keep it away from electronic devices, credit cards, and other magneticsensitive items.
- **Surface Compatibility:** Ensure that the surfaces where the mounts are attached are clean, dry, and free of debris to maintain a secure hold.
- **Weight Limit:** Do not exceed the weight limit of the mount. Refer to the product specifications for details.
- **Installation Height:** Install the mount at a height that is accessible but does not pose a risk of injury if items fall.
- **Reversible Design:** When using the reversible design of the Surface Mount, ensure it is securely locked in place before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Identify the location where you wish to install the mount. Ensure it is a clean, flat surface.
- Gather necessary tools if required for installation.

### 2. Installation of Surface Mount:

- Clean the surface with a suitable cleaner and let it dry completely.
- Peel off the adhesive backing from the Surface Mount.
- Press the mount firmly against the surface for a few seconds to ensure adhesion.
- For reversible design, follow the specific instructions in the product manual to switch the mounting orientation.

### 3. Installation of Magnetic Mount:

- Position the Magnetic Mount on a steel surface where you want handsfree assistance.
- Ensure that the magnets are securely holding the mount in place before using it.

### 4. Using the CMount:

- Place the CMount on a flat edge, ensuring it fits securely.

- Adjust the SmartDocks™ as needed to customize your assistance setup.

#### **5. Regular Maintenance:**

- Periodically check all mounts for stability and secure attachment.
- Clean the mounts with a damp cloth to remove dust and debris.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove batteries if applicable, and recycle them according to local guidelines.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the official contact points provided with your product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the SMART ASSIST MOUNTS REAL AVID SMARTASSIST MAGNETIC MOUNT. Your adherence to these guidelines will help ensure a safe and productive experience.
