# SMART ASSIST MOUNTS REAL AVID SMARTASSIST SURFACE MOUNT 3PACK Safety Instructions

## Introduction

Thank you for choosing the SmartAssist Mounts by Real Avid. This product is designed to enhance your workspace efficiency through handsfree assistance. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure the mounting surface is clean and free from dust or debris before installation.
- Inspect the mounts regularly for any signs of wear or damage.
- Do not use the mounts in environments where they may be exposed to extreme temperatures or moisture.
- Keep the mounts out of reach of children and pets to prevent accidents.
- If you experience any issues with the product, discontinue use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

### • **Magnetic Mount:**

- Use only on steel surfaces that are clean and free of rust or paint.
- Avoid placing sensitive electronic devices near the Magnetic Mount to prevent interference.

### • **CMount:**

- Ensure that the flat edge where the CMount is attached can support the weight of the mounted items.
- Check that the reversible mounting is secure before use.

### • **SmartDocks™:**

- Only use SmartDocks™ as intended for the specific devices they are designed for.
- Regularly check the fit of the devices in the SmartDocks™ to ensure they are secure.

## Instructions for Installation and Usage

### 1. **Installation of Magnetic Mount:**

- Clean the steel surface where the mount will be attached.
- Position the Magnetic Mount on the desired area.
- Ensure it is securely attached by gently tugging on it.

### 2. **Installation of CMount:**

- Identify a flat edge suitable for mounting.
- Position the CMount on the edge and ensure it is aligned correctly.
- Use the reversible mounting option to secure it in place.

### 3. **Using SmartDocks™:**

- Place the device into the SmartDock™.
- Ensure that the device is held securely and does not wobble or shift.
- Adjust the SmartDock™ as needed for optimal accessibility.

#### **4. General Usage:**

- Always check the stability of the mounts before placing any items on them.
- Do not overload the mounts beyond their intended capacity.

## **Disposal Instructions**

- Dispose of the SmartAssist Mounts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Remove any batteries (if applicable) and dispose of them separately according to local battery disposal regulations.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the SmartAssist Mounts, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your SmartAssist Mounts.
