SMART ASSIST MOUNTS REAL AVID SMARTASSIST CMOUNT Safety Instructions

Introduction

Thank you for choosing the SMART ASSIST MOUNTS REAL AVID SMARTASSIST CMOUNT. This product is designed to enhance your workspace efficiency with handsfree assistance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Regularly inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose to avoid potential hazards.
- If you encounter any issues or have questions about the product, seek assistance.

Specific Safety Precautions for Use

- When using the Magnetic Mount, ensure that the surface is clean and free from debris to maintain strong magnetic adhesion.
- Do not place the SmartAssist CMount on unstable or uneven surfaces to prevent accidents.
- Avoid using the product in environments with extreme temperatures or humidity that may affect its performance.
- Ensure that the CMount is securely attached to prevent it from falling or detaching during use.
- If the product is damaged, discontinue use immediately and contact customer support for assistance.

Instructions for Installation and Usage

1. Installation of the CMount:

- Choose a flat and stable surface for installation.
- Clean the surface to ensure proper adhesion.
- Align the CMount with the desired location and press firmly to secure it.
- If using the reversible design, select the appropriate orientation before installation.

2. Using the SmartAssist Docking Mounts:

- For the Surface Mount 3Pack, select the desired mount based on the surface type.
- Attach the mount securely to the surface, ensuring it is level and stable.
- Use the SmartDocks™ to customize your setup for optimal assistance.

3. Using the Magnetic Mount:

- Position the Magnetic Mount on a steel surface.
- Ensure that the six magnets are fully engaged for maximum hold.
- Test the stability before placing any items on the mount.

4. Maintenance:

- Regularly check the mounts for any signs of wear or damage.
- Clean the mounts with a soft, dry cloth to maintain their appearance and functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of electronic components in household waste.
- Consider recycling options to minimize environmental impact.
