# UXR Elite Rifle System Safety Instruction Guide

## Introduction

Thank you for choosing the UXR Elite Rifle System 223 Wylde SemiAuto Rifle. This guide provides essential safety instructions to ensure the safe and effective use of your firearm. Please read and understand all safety guidelines before handling the rifle.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the safety is engaged until you are ready to fire.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Always use the correct ammunition for your firearm.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- Do not consume alcohol or drugs before or while using the firearm.
- Regularly inspect your firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure the XCHANGE Fire Control Housing Module is properly installed before use.
- Always check that the chamber is clear before loading the firearm.
- Use only magazines that are compatible with the UXR Elite Rifle System.
- When using the XCHANGE Barrel Exchange System, ensure that the barrel is securely attached before firing.
- Be cautious when adjusting the ambidextrous folding charging handle; ensure it is locked in place.
- Familiarize yourself with the ambidextrous rocker valve to select the correct gas setting for your shooting conditions.
- Ensure the evacuation chamber is unobstructed for optimal performance when shooting suppressed.
- Do not modify the rifle or its components unless performed by a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **XCHANGE Buttstock Module:**
  - Attach the buttstock module to the receiver using the provided hardware.
  - Adjust the length of pull to your preference using the ambidextrous LOP button.
2. **XCHANGE Fire Control Housing Module:**
  - Ensure the UXR pistol grip is securely attached to the housing.
  - Connect the fire control module compatible with your chosen trigger.
3. **XCHANGE Magazine Well Module:**
  - Insert the magazine well module into the lower receiver until it clicks into place.
  - Test the magazine release button for proper function.
4. **XCHANGE Handguard:**
  - Slide the handguard onto the barrel nut and secure it using the provided screws.
5. **XCHANGE Barrel Exchange System:**
  - Follow the instructions for removing and installing barrels to ensure proper alignment.

### Usage

- Load the magazine with the correct ammunition and insert it into the magazine well.
- Pull the charging handle to chamber a round.

- Set your preferred gas setting using the ambidextrous rocker valve.
- Aim at your target and disengage the safety when ready to fire.
- Fire in controlled bursts to maintain accuracy and control.

## **Disposal Instructions**

- Dispose of the firearm according to local laws and regulations.
- Ensure that all ammunition is used or disposed of safely before discarding the firearm.
- Consider contacting a licensed dealer for safe disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the UXR Elite Rifle System, please reach out to your local authorized dealer or manufacturer support. Always keep the product manual handy for reference.

## **Conclusion**

Following these safety guidelines will help ensure a safe and enjoyable experience with your UXR Elite Rifle System. Always prioritize safety and be responsible when handling firearms. Thank you for being a responsible firearm owner.
