

# DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARRELS FOR AR-15 - FAXON FIREARMS DUTY 5.56X45 NATO 12.5" BBL MID-LENGTH NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The Faxon GUNNER line of AR barrels are well known in the AR world for their unique profile. The GUNNER profile uses the Government profile dimension from extension to the .625" gas block, then is a pencil profile from the gas block forward to the front. Removing the weight from the front of the barrel ensures maximum versatility and keeps material to the rear to maximize heat resistance and mitigate whip. Manufactured 100% in-house from cradle-to-grave, these Faxon barrels are fully stress relieved, air-gauge tested, and 11 degree target crowned to ensure superior accuracy. Each Faxon GUNNER barrel goes through a battery of tests at each manufacturing operation until finished in Nitride and final inspected. All barrels are individually checked for headspace by precision custom hardened gauges. SPECS Barrel Material: 4150 CMV Steel Barrel Type: Button Rifled Barrel Caliber: 5.56 Barrel Twist: 1:8

## Attributes

- Name: [FAXON FIREARMS DUTY 5.56X45 NATO 12.5" BBL MID-LENGTH NITRIDE](#)
- Manufacturer: [FAXON FIREARMS](#)

# Safety Instruction Guide for DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARRELS FOR AR15

## Introduction

Thank you for choosing the Faxon Firearms DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARREL. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your firearm barrel. Please read this document carefully before use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely to prevent unauthorized access, especially by children.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling firearms.
- Be aware of your surroundings and ensure that your shooting area is safe and free of obstructions.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your firearm and its components for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your AR15 platform before installation.
- Do not use ammunition that exceeds the specifications for the barrel (5.56 NATO).
- Always check for proper headspace before using the barrel in your firearm.
- Avoid using handloads or reloaded ammunition unless you are certain of their specifications and safety.
- Never fire a barrel that shows signs of damage or excessive wear.
- Keep your fingers away from the trigger until you are ready to shoot.
- Avoid distractions while handling firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the magazine is removed.
- Use appropriate tools to remove the existing barrel from the AR15 upper receiver.
- Clean the threads of the upper receiver to ensure proper fit.
- Install the Faxon DUTY barrel by threading it into the upper receiver, ensuring it is properly aligned.
- Torque the barrel nut to the manufacturer's specifications to secure the barrel in place.
- Install the gas block and gas tube according to the manufacturer's instructions.
- Reattach any other components removed during installation.

### 2. Usage

- Load the firearm with appropriate ammunition (5.56 NATO).
- Ensure the firearm is in a safe condition before loading.
- Always aim at a safe target and be aware of the backdrop.
- Fire the firearm in accordance with local laws and regulations.
- After use, clean the barrel and firearm to maintain optimal performance and longevity.

## **Disposal Instructions**

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not dispose of barrels in regular trash; contact local authorities for proper disposal methods.
- Ensure that all firearm components are rendered inoperable before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Faxon DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARRELS, please refer to the manufacturer's website or your point of purchase for additional support.

## **Conclusion**

Following these safety guidelines will help ensure a safe and enjoyable experience with your Faxon Firearms DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARREL. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety practices.
