

# DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARRELS FOR AR-15 - FAXON FIREARMS DUTY 5.56X45 NATO 13.9" BBL MID-LENGTH NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The Faxon GUNNER line of AR barrels are well known in the AR world for their unique profile. The GUNNER profile uses the Government profile dimension from extension to the .625" gas block, then is a pencil profile from the gas block forward to the front. Removing the weight from the front of the barrel ensures maximum versatility and keeps material to the rear to maximize heat resistance and mitigate whip. Manufactured 100% in-house from cradle-to-grave, these Faxon barrels are fully stress relieved, air-gauge tested, and 11 degree target crowned to ensure superior accuracy. Each Faxon GUNNER barrel goes through a battery of tests at each manufacturing operation until finished in Nitride and final inspected. All barrels are individually checked for headspace by precision custom hardened gauges. SPECS Barrel Material: 4150 CMV Steel Barrel Type: Button Rifled Barrel Caliber: 5.56 Barrel Twist: 1:8

## Attributes

- Name: [FAXON FIREARMS DUTY 5.56X45 NATO 13.9" BBL MID-LENGTH NITRIDE](#)

# Safety Instruction Guide for DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARRELS

## Introduction

Thank you for choosing the DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARREL from Faxon Firearms. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle barrel. Please read this guide carefully before use to understand the risks and safety measures associated with this product.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of firearms.
- Always treat the rifle barrel as if it is loaded, even when it is not.
- Store the rifle barrel in a secure location, away from children and unauthorized users.
- Regularly inspect your rifle barrel for any signs of damage or wear before each use.
- Use the barrel only with compatible firearms and ammunition as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with this barrel.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not use the barrel with ammunition that exceeds the specified caliber of 5.56.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- Do not modify the barrel or the firearm in any way that may compromise safety.
- If you experience any malfunctions or unusual behavior while using the barrel, cease use immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including appropriate wrenches and screwdrivers.

#### 2. Remove the Old Barrel:

- Follow the manufacturer's instructions for disassembling your firearm to remove the existing barrel.
- Carefully detach any components that may obstruct barrel removal.

#### 3. Install the New Barrel:

- Align the new DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARREL with the receiver.
- Securely tighten the barrel nut according to the manufacturer's specifications.
- Reattach any components that were removed during the process.

#### 4. Final Checks:

- Inspect the installation for proper alignment and secure fit.
- Ensure that the gas block and any other necessary components are properly installed and tightened.

## Usage Instructions

- Load the firearm with compatible 5.56 ammunition only.
- Always check the barrel for obstructions before firing.
- Fire the firearm in a safe environment, adhering to all local laws and regulations.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options or consult with local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARREL, please consult the Faxon Firearms website or contact your local retailer. Ensure that you have the product information available for reference.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your DUTY 5.56X45 NATO GUNNER PROFILE RIFLE BARREL. Always prioritize safety and responsibility in all firearm-related activities.
