FX7 BOLT ACTION PREFIT 6.5 CREEDMOOR GUNNER PROFILE RIFLE BARREL Safety Instruction Guide

Introduction

Thank you for choosing the FX7 Bolt Action Prefit 6.5 Creedmoor Gunner Profile Rifle Barrel. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully and retain it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components before using the FX7 Bolt Action Prefit Rifle Barrel.
- Always treat every firearm as if it is loaded, even when you believe it is not.
- Store your firearm and ammunition in a secure location, out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, while shooting.
- Regularly inspect your rifle barrel for any signs of damage or wear. Do not use if any issues are found.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure the barrel is properly installed on the FX7 Bolt Action Receiver before use.
- Do not exceed the recommended caliber specifications. The FX7 Prefit Rifle Barrel is designed specifically for the 6.5 Creedmoor caliber.
- Avoid using reloaded ammunition that does not conform to industry standards.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.

Instructions for Installation and Usage

1. Installation of the Barrel

- Ensure the FX7 Bolt Action Receiver is unloaded and pointed in a safe direction.
- Remove the existing barrel from the receiver by following the manufacturer's instructions.
- Align the FX7 Prefit Rifle Barrel with the receiver and secure it in place using the appropriate tools.
- Tighten the tenon thread to the specified torque settings to ensure a secure fit.

2. Usage of the Rifle Barrel

- Load the firearm with 6.5 Creedmoor ammunition only.
- Check that the safety mechanism is engaged before loading the firearm.
- Once ready to shoot, disengage the safety and aim at the target.
- After shooting, engage the safety before unloading the firearm.

3. Maintenance

- Clean the barrel regularly to ensure optimal performance.
- Use only recommended cleaning products and tools to avoid damaging the barrel.
- Inspect the barrel for any signs of corrosion or damage after each use.

Disposal Instructions

- Dispose of the FX7 Prefit Rifle Barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer usable, consider contacting a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FX7 Bolt Action Prefit 6.5 Creedmoor Gunner Profile Rifle Barrel, please refer to the manufacturer's website or customer service resources for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your FX7 Bolt Action Prefit Rifle Barrel. Always prioritize safety and compliance with local laws when handling firearms. Thank you for choosing Faxon Firearms.
