

# MUZZLOK® .450/.458 CALIBER 3-PORT MUZZLE BRAKE FOR AR-15 - FAXON FIREARMS MUZZLOK .450/.458 CALIBER 3-PORT MUZZLE BRAKE 11/16"-24 BLK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Faxon's Gunner 3 Port Muzzle Brake is the ideal blend of usability, versatility, and recoil reduction. The 3 ports work to sequentially capture the propellant gasses and redirect them to the sides for maximum recoil reduction. On barrels of all lengths, the Gunner significantly reduces felt recoil. MUZZLOK® Faxon's invented "Muzzlok" feature on this device allows for easy timing and installation of your device without the need for a crush washer or shims. By using the extension nut to adjust the length of the device, you can adjust the rotational timing. It is recommended that you tighten the device to the recommended torque specification of 20-25 foot pounds. By not having to overcome the resistance of the crush washer, this allows devices to be removed and reinstalled in the field if desired. SPECS Material: Steel Finish: Salt Bath Nitride Thread: 11/16x24 TPI Weight: 3.2 ounces w/ MuzzLok Nut Caliber: 458 Socom or Smaller No crush washer needed. Attach and remove in the field. Time your muzzle device quickly and easily.

## Attributes

- Name: [FAXON FIREARMS MUZZLOK .450/.458 CALIBER 3-PORT MUZZLE BRAKE 11/16"-24 BLK](#)
- Manufacturer: [FAXON FIREARMS](#)
- Product no.: 430108185
- Mfr. No.: FFMD45083PMBSQPQ
- Caliber: 458 SOCOM, 450 Bushmaster
- Finish: Black
- Material: Steel
- Weapon type: AR-15
- Delivery weight: 0.109kg
- Shipping height: 145mm
- Shipping width: 33mm
- Shipping length: 109mm
- UPC: 816341024205

# MUZZLOK® .450/.458 CALIBER 3PORT MUZZLE BRAKE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MUZZLOK® .450/.458 CALIBER 3PORT MUZZLE BRAKE for your AR15. This guide provides essential safety instructions and information to ensure the safe and effective use of your muzzle brake. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with all local, national, and EU regulations.
- Always handle firearms and accessories with care and respect.
- Keep the muzzle brake out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage.
- Do not modify the muzzle brake in any way that could compromise its safety or performance.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate safety glasses and hearing protection when using firearms equipped with the muzzle brake.
- **Loading and Unloading:** Ensure the firearm is unloaded before installing or removing the muzzle brake.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting that could lead to accidents.
- **Torque Specifications:** Tighten the muzzle brake to the recommended torque specification of 2025 foot pounds to ensure secure installation.
- **Field Use:** The muzzle brake can be removed and reinstalled in the field; however, ensure it is properly timed and secured before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a torque wrench.

### 2. Installation:

- Remove any existing muzzle device or accessory.
- Clean the muzzle threads of the barrel to ensure proper fit.
- Align the MUZZLOK® muzzle brake with the threads on the barrel.
- Handtighten the muzzle brake onto the barrel.
- Use a torque wrench to tighten the muzzle brake to the specified torque of 2025 foot pounds.

### 3. Timing the Muzzle Brake:

- Utilize the extension nut to adjust the length and rotational timing of the muzzle brake.
- Ensure the ports are oriented correctly for optimal performance.

### 4. PostInstallation Check:

- Inspect the installation to ensure there are no gaps or misalignments.

- Perform a function check on the firearm to ensure it operates correctly with the installed muzzle brake.

#### **5. Usage:**

- When firing, maintain a proper shooting stance and grip.
- Monitor the muzzle brake for any signs of loosening or damage during use.

## **Disposal Instructions**

- Dispose of the MUZZLOK® muzzle brake in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or assistance regarding the MUZZLOK® .450/.458 CALIBER 3PORT MUZZLE BRAKE, please refer to the manufacturer or your point of purchase.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MUZZLOK® muzzle brake. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important details.
