

MUZZLOK® 5.56X45MM NATO FLASH HIDER - FAXON FIREARMS MUZZLOK 223 & 5.56X45 NATO SLIM FLASH HIDER NITRIDE BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Faxon's invented "MuzzLok" feature on this device allows for easy timing and installation of your device without the need for a crush washer or shims. By using the extension nut to adjust the length of the device, you can adjust the rotational timing. It is recommended that you tighten the device to the recommended torque specification of 20-25 foot pounds. By not having to overcome the resistance of the crush washer, this allows devices to be removed and reinstalled in the field if desired. FEATURES No crush washer needed. Attach and remove in the field. Time your muzzle device quickly and easily. SPECS Caliber: 5.56 .23 lbs 2.75" tall .875" in diameter Note: Cannot be shipped to CA

MUZZLOK® 5.56X45MM NATO FLASH HIDER

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MUZZLOK® 5.56X45MM NATO Flash Hider from Faxon Firearms. This product is designed to enhance your shooting experience while ensuring safety and compliance with regulations. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearm accessories.
- Always treat the MUZZLOK Flash Hider as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the product for signs of wear or damage.
- In case of any malfunction or abnormal operation, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Always ensure the firearm is unloaded before installing or removing the flash hider.
 - Use proper tools and follow the installation instructions to avoid injury.
- **Operational Safety:**
 - Do not exceed the recommended torque specification of 2025 foot pounds during installation.
 - Ensure the flash hider is securely attached before handling the firearm.
- **Maintenance Safety:**
 - Regularly clean the flash hider to prevent buildup that may affect performance.
 - Inspect the device for any signs of damage or excessive wear before each use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (e.g., wrench, torque wrench).

2. Installation:

- Remove any existing muzzle device if applicable.
- Align the MUZZLOK Flash Hider with the muzzle of the firearm.
- Use the extension nut to adjust the length and ensure proper rotational timing.
- Tighten the flash hider to the recommended torque specification of 2025 foot pounds.

3. Usage:

- After installation, check to ensure the flash hider is secure.

- When firing, monitor the performance of the flash hider and the firearm.
- If you notice any unusual behavior, stop using the device and seek professional assistance.

4. Removal:

- To remove the flash hider, follow the installation steps in reverse.
- Use caution to avoid damaging the threads on the muzzle.

Disposal Instructions

- Dispose of the MUZZLOK Flash Hider in accordance with local regulations.
- If the product is damaged or no longer usable, consult with a qualified waste disposal service for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the MUZZLOK Flash Hider, please refer to the official Faxon Firearms website or contact your local distributor.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MUZZLOK® 5.56X45MM NATO Flash Hider. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
