

L5AWM GEN2 300 BLACKOUT RIFLE MAGAZINE - LANCER SYSTEMS

L5AWM GEN2 300 ACC BLACKOUT 20RD MAGAZINE BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Lancer set out to design a better 300 Blackout magazine, one with the reliability of steel and the durability and weight of polymer. The L5 Advanced Warfighter Magazine (AWM®) is that magazine. The GEN 2 features an all-new precision engineered feed lip design, stainless steel spring, anti-tilt follower and new floorplate lock, the new L5AWM GEN 2 is positioned to secure its place as the leading professional grade “STANAG style” magazine on the market. The L5AWM’s exclusive hybrid design includes a proprietary polymer body with aggressive surface texturing to create the ultimate rifle magazine tough enough for military, law enforcement, and competition applications. The L5AWM is compatible with modern weapon systems, including M4/M16/AR15, SCAR16, HK416, ARX160, SIG556, ARC, SIG MCX, IWI Tavor, IWI X95, SA80, chambered in 300 AAC Blackout. Designed, tooled, manufactured, and assembled in the USA!

L5AWM GEN2 300 BLACKOUT RIFLE MAGAZINE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the L5AWM GEN2 300 Blackout Rifle Magazine by Lancer Systems. This product has been designed with safety and performance in mind. Please read this safety instruction guide carefully to ensure proper use and maintenance of your magazine, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the magazine as if it is loaded, even when it is empty.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for damage or wear before each use.
- Store the magazine in a cool, dry place, away from direct sunlight and extreme temperatures.
- Do not modify the magazine in any way; alterations can compromise safety and performance.
- Ensure that the magazine is compatible with your firearm before use.
- Always use the correct ammunition type as specified for your magazine.

Specific Safety Precautions for Use

- When loading the magazine, ensure that your firearm is pointed in a safe direction.
- Avoid overloading the magazine; adhere to the specified capacity of 20 rounds.
- Always check that the magazine is securely locked in place before firing your firearm.
- If you encounter a malfunction while using the magazine, cease firing immediately and safely clear your firearm.
- Do not attempt to disassemble the magazine unless instructed to do so in the maintenance section of this guide.

Instructions for Installation and Usage

• Loading the Magazine:

1. Hold the magazine with the feed lips facing upward.
2. Insert the first round into the magazine, ensuring it is seated properly.
3. Continue adding rounds until the magazine reaches its maximum capacity of 20 rounds.
4. Ensure the last round is seated properly and the magazine is ready for insertion.

• Inserting the Magazine:

1. With the firearm pointed in a safe direction, locate the magazine well.
2. Align the magazine with the magazine well and push it firmly until it clicks into place.
3. Verify that the magazine is securely locked in by gently tugging on it.

• Removing the Magazine:

1. Ensure the firearm is pointed in a safe direction and is on safe mode.
2. Press the magazine release button to disengage the magazine.
3. Pull the magazine out of the magazine well.

• Maintenance:

1. Regularly clean the magazine using a soft cloth and appropriate cleaning solutions.
2. Inspect the feed lips and follower for wear or damage.
3. If any parts are damaged, do not use the magazine and contact customer support for assistance.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic and metal waste.
- If the magazine is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential misuse.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the appropriate EU-based support services or refer to the Safety Gate platform for updates on recalls and safety alerts.

By following these safety instructions, you can ensure a safe and enjoyable experience with your L5AWM GEN2 300 Blackout Rifle Magazine. Thank you for your commitment to safety.
