# FIBER REINFORCED POLYMER TRIANGLE STOCK BODY Safety Instruction Guide

## Introduction

Thank you for choosing the FIBER REINFORCED POLYMER TRIANGLE STOCK BODY by A3 INDUSTRIES. This product is designed to enhance your AR15 experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the stock.
- Inspect the stock for any damage before use. Do not use if any part is damaged or worn.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Use the stock only for its intended purpose; misuse can lead to injury or malfunction.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- When using the quickdisconnect (QD) sling mounts, ensure that the sling is securely attached before use.
- Avoid placing excessive weight or stress on the stock, as this may compromise its integrity.
- Use the stock in a manner that does not obstruct the user's view or control of the firearm.
- Ensure that the tensioned hinge is functioning properly before use. If it does not latch securely, do not use the stock.
- The rubber buttpad and cheekrest are designed for comfort; avoid using the stock without these components for safety.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure that the stock is compatible with your AR15 model.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Stock:** If applicable, remove the existing stock by loosening the retaining screw.
4. **Attach the New Stock:**
  - Align the stock with the buffer tube.
  - Slide the stock onto the buffer tube until it is fully seated.
  - Secure the stock by tightening the retaining screw until it is snug, but do not overtighten.
5. **Check Stability:** Ensure that the stock is firmly attached and does not wobble.

### Usage

- To deploy the stock, pull it away from the receiver until it clicks into the open position.
- To fold the stock, press the release button and gently push the stock towards the receiver until it latches.
- Maintain a firm grip on the firearm while adjusting the stock to avoid accidents.
- Regularly inspect the stock for wear and tear, especially after extensive use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and metal waste.
- Do not incinerate the product as it may release harmful fumes.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the FIBER REINFORCED POLYMER TRIANGLE STOCK BODY, please refer to your local distributor or retailer.

Thank you for prioritizing safety. By following these guidelines, you can ensure a safe and enjoyable experience with your new stock.
