# BROWNELLS RETRO 4X/COLT 4X SCOPE SPARE PARTS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Brownells Retro 4x Scope and Colt Retro 4x Scope Spare Parts. This guide provides essential safety instructions to ensure the safe use and maintenance of these products. It is important to read and understand these instructions before using the scope components.

## General Safety Guidelines

- Always handle the scope and its components with care to prevent damage and ensure safe operation.
- Ensure that all parts are compatible with your specific scope model before installation.
- Keep all components out of reach of children and vulnerable individuals.
- Regularly inspect the scope and its parts for wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and consult a qualified technician.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Mount Screw:**
  - Ensure screws are tightened to the manufacturer's specifications to prevent loosening during use.
  - Use a torque wrench if available to achieve the correct tightness.
- **Windage Cap:**
  - Do not force the windage cap onto the scope; it should fit snugly without excessive pressure.
  - Regularly check the windage cap for signs of wear or damage.
- **Elevation Cap:**
  - Ensure that the elevation cap is securely fastened to avoid accidental removal during use.
  - Check for proper alignment before and after adjustments.
- **Carry Handle Clamp:**
  - Ensure the clamp is properly secured to prevent the scope from falling or becoming misaligned.
  - Regularly inspect the clamp for wear and replace if necessary.

## Instructions for Installation and Usage

### 1. Installation of Components:

- Before starting, ensure that the scope is securely mounted to the rifle.
- Follow these steps for each component:
  - **Mount Screw:**
    - Remove the old screw if applicable.
    - Align the new mount screw with the hole and insert it gently.
    - Tighten to the appropriate torque specification.
  - **Windage Cap:**
    - Align the windage cap with the adjustment turret.
    - Gently press down until it clicks into place.

- **Elevation Cap:**
  - Align the elevation cap with the adjustment turret.
  - Press down firmly until it is securely attached.
- **Carry Handle Clamp:**
  - Position the clamp around the scope according to the manufacturer's instructions.
  - Tighten the clamp securely but do not overtighten.

## 2. Usage:

- Adjust the windage and elevation settings slowly and carefully.
- Always check the alignment of the scope before shooting.
- After making adjustments, verify that all components are secure.

## 3. Maintenance:

- Clean the scope and components regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials that may damage the finish.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for local electronic waste disposal programs.

## Contact Information for Further Support

For any questions or concerns regarding the Brownells Retro 4x Scope and Colt Retro 4x Scope Spare Parts, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and following these guidelines to ensure a positive experience with your scope.
