

# COLLET NECK SIZER DIES - LEE PRECISION .300 WINCHESTER SHORT MAGNUM COLLET NECK SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

# Safety Instruction Guide for COLLET NECK SIZER DIES LEE PRECISION .300 WINCHESTER SHORT MAGNUM COLLET NECK SIZING DIE ONLY

## Introduction

Thank you for choosing the COLLET NECK SIZER DIES LEE PRECISION .300 WINCHESTER SHORT MAGNUM COLLET NECK SIZING DIE. This product is designed to help you create accurate ammunition efficiently. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses and gloves, when operating reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the die and all related components in a secure location, out of reach of children and pets.
- Regularly inspect the die for wear and damage before use.
- Be aware of your surroundings and avoid distractions while using the die.

## Specific Safety Precautions for Use

- Do not use the die if it is damaged or malfunctioning.
- Ensure that the die is compatible with the specific cartridge you are using.
- Avoid using excessive force when resizing cases to prevent damage to the die or cases.
- Always follow proper procedures for handling and storing ammunition and reloading components.
- Keep fingers and hands clear of moving parts during operation.
- Do not exceed the recommended load specifications for your ammunition.

## Instructions for Installation and Usage

### 1. Installation

- Securely mount the die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the correct height for your specific cartridge.
- Ensure that the die is tightened properly to prevent movement during use.

### 2. Usage

- Insert an empty case into the die.
- Operate the press to apply pressure to the case neck against the precision mandrel.
- Inspect the resized case for proper dimensions and fit.
- Repeat the process for each case, ensuring consistent results.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Check with local authorities for proper disposal methods for ammunition components.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure a safe and effective experience with your COLLET NECK SIZER DIES LEE PRECISION .300 WINCHESTER SHORT MAGNUM COLLET NECK SIZING DIE. Thank you for prioritizing safety in your reloading practices.
