

# COLLET NECK SIZER DIES - LEE PRECISION 6MM REMINGTON & .244 REMINGTON COLLET NECK SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

# Safety Instruction Guide for COLLET NECK SIZER DIES LEE PRECISION 6MM REMINGTON & .244 REMINGTON

## Introduction

Thank you for choosing the COLLET NECK SIZER DIES from LEE PRECISION. This product is designed to help you create more accurate ammunition for your rifle. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Keep this product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage before use.
- Do not use this product for any purpose other than its intended use.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of this product may lead to accidents or injuries.
  - Ensure that you are using the correct die for the specific cartridge to avoid malfunctions.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for setup and use.
  - Do not exceed recommended loads when reloading ammunition.
  - Ensure that the workspace is clean and free of obstructions to prevent accidents.
- **Age Specific Warnings:**
  - This product is intended for use by adults only. Do not allow minors to operate this equipment.

## Instructions for Installation and Usage

- **Installation:**
  1. Read the manufacturer's instructions thoroughly before beginning installation.
  2. Ensure that your reloading press is securely mounted and stable.
  3. Install the collet neck sizing die according to the manufacturer's guidelines.
  4. Adjust the die for proper sizing based on the specific cartridge you are using.
- **Usage:**
  1. Prepare your cases by cleaning and inspecting them for damage.
  2. Insert the case into the sizing die and apply pressure using the reloading press.
  3. Remove the case and check for proper sizing; repeat if necessary.
  4. Store the dies in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of this product in regular household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the COLLET NECK SIZER DIES from LEE PRECISION!
