

COLLET NECK SIZER DIES - LEE PRECISION .257 ROBERTS & .257 ACKLEY IMP. COLLET NECK SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

COLLET NECK SIZER DIES LEE PRECISION .257 ROBERTS & .257 ACKLEY IMP. Safety Instruction Guide

Introduction

Thank you for choosing the COLLET NECK SIZER DIES LEE PRECISION .257 ROBERTS & .257 ACKLEY IMP. This product is designed for precise neck sizing of your ammunition cases, ensuring optimal performance and accuracy. To ensure safe and effective use of this product, please read and follow all safety instructions outlined in this guide.

General Safety Guidelines

- Always read the product instructions thoroughly before use.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean, dry, and welllit.
- Use personal protective equipment (PPE) as necessary, such as safety glasses and gloves.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading and safety.

Specific Safety Precautions for Use

- Only use the Collet Neck Sizer Dies for the specified cartridges: .257 Roberts and .257 Ackley.
- Ensure that the die is securely mounted in your reloading press before use.
- Do not exceed the recommended load specifications provided by the manufacturer.
- Avoid using excessive force when sizing cases to prevent damage.
- Always wear safety glasses to protect your eyes from potential debris.
- Handle all components, including cases and dies, with care to avoid injury.

Instructions for Installation and Usage

1. Installation:

- Securely mount the Collet Neck Sizer Die into your reloading press according to the manufacturer's instructions.
- Ensure that the die is aligned properly to avoid misalignment during operation.

2. Usage:

- Prepare your cases by cleaning them to remove any dirt or debris.
- Insert the case into the die, ensuring it is seated correctly.
- Operate the reloading press to engage the collet. The collet will squeeze the case neck against the mandrel for sizing.
- After sizing, carefully remove the case from the die.
- Inspect the case for proper sizing and fit.

3. PostUsage:

- Clean the die after use to prevent residue buildup and ensure longevity.
- Store the die in a dry, safe place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- When disposing of packaging materials, recycle where possible.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the COLLET NECK SIZER DIES LEE PRECISION .257 ROBERTS & .257 ACKLEY IMP, please refer to the manufacturer's customer service resources.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your COLLET NECK SIZER DIES. Always prioritize safety and proper handling to enjoy the best performance from your reloading equipment. Thank you for your attention to these important safety guidelines.
