

LARGE SERIES COLLET NECK SIZER DIES ONLY - LEE PRECISION

.338 LAPUA LARGE SERIES COLLET NECK SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

LARGE SERIES COLLET DIE ONLY Note: If you are using a competitor's press with removable bushing, consider our 1 1/2-12 to 1 1/4-12 die adapter bushing. This bushing will allow you to install these dies into your press. Lee Collet Die only that uses a Collet to squeeze a Mandrel, creating a precisely aligned case neck while reducing run out. Sizes just the neck and requires no lubrication.

Safety Instruction Guide for LARGE SERIES COLLET NECK SIZER DIES ONLY LEE PRECISION .338 LAPUA

Introduction

Thank you for choosing the LARGE SERIES COLLET NECK SIZER DIES ONLY LEE PRECISION .338 LAPUA. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the die.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a secure location, out of reach of children and unauthorized users.
- Regularly check the die for any signs of wear or damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Use the die only with compatible presses. If using a competitor's press with a removable bushing, ensure you have the correct adapter bushing (1 1/212 to 1 1/412) for installation.
- Always ensure that the collet is properly adjusted before sizing cases to prevent damage to the die or cases.
- Do not apply excessive force when sizing cases; excessive pressure may lead to equipment failure or personal injury.
- Ensure that cases are clean and free of debris before using the die to avoid contamination and damage.
- Avoid wearing loose clothing or jewelry that may become entangled in the equipment during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure your press is securely mounted and stable.
- If necessary, install the die adapter bushing into the press according to the manufacturer's instructions.
- Screw the collet neck sizing die into the press until it is snug but do not overtighten.
- Check that the die is properly aligned with the press ram.

2. Using the Die:

- Prepare your cases by cleaning them thoroughly.
- Insert the case into the die, ensuring proper alignment.
- Engage the press handle smoothly and steadily to size the neck of the case.
- After sizing, remove the case and check for proper fit and alignment.
- Repeat the process for additional cases as needed.

3. PostUse Care:

- Clean the die after each use to remove any residue or debris.

- Store the die in a protective case or container to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components of the die in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the use of the LARGE SERIES COLLET NECK SIZER DIES ONLY LEE PRECISION .338 LAPUA, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience. Always prioritize safety and stay informed about best practices in ammunition handling and equipment use. Thank you for choosing LEE PRECISION.
