# Safety Instruction Guide for Lee Precision Steel 3Die Pistol Die Sets

## Introduction

Thank you for choosing the Lee Precision Steel 3Die Pistol Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle all reloading equipment with care.
- Ensure that your workspace is clean, organized, and welllit.
- Store all reloading components out of reach of children and pets.
- Use safety glasses and appropriate protective gear while reloading.
- Familiarize yourself with the reloading process and follow all instructions provided.
- Report any unsafe products and accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The dies are made of steel and require lubrication for safe operation.
  - Improper use may lead to injury or damage to the equipment.
- **Avoiding Hazards:**
  - Lubricate cases before resizing to prevent stuck cases.
  - Ensure that your hands are dry and free of oil when handling components.
  - Keep all tools and components away from children and unauthorized users.
- **Age Specific Warnings:**
  - This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted to a stable workbench.
- Install the Full Length Sizing Die into the press according to the manufacturer's instructions.
- Follow the same procedure for the Bullet Seating Die and Powder Through Expanding Die.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Apply an appropriate lubricant to the cases before resizing.
- Insert the lubed case into the Full Length Sizing Die and operate the press to resize the case.
- After resizing, clean off any excess lubricant from the cases.
- Use the Bullet Seating Die to seat bullets to the desired depth.
- Use the Powder Through Expanding Die to dispense powder safely.

### 3. PostUse Care:

- Clean all dies and tools after use to prevent rust and ensure longevity.
- Store the die set in a dry, cool place to avoid moisture and damage.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of any reloading components or materials in regular household waste.
- Check for specific disposal guidelines for hazardous materials in your area.

## Contact Information for Further Support

- For any inquiries or support regarding this product, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for your attention to these safety guidelines. Your careful adherence to these instructions will help ensure a safe and enjoyable reloading experience.
