Safety Instruction Guide for STEEL 3DIE PISTOL DIE SETS LEE PRECISION .429 DESERT EAGLE FULL LENGTH SIZING 3DIE SET STEEL

Introduction

Thank you for choosing the Lee Steel 3Die Pistol Die Set. This product is designed for reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the workspace is clean, dry, and welllit.
- Keep the dies and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the dies for wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Store the die set in a secure location to prevent unauthorized access.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Lubrication:** Since these dies are made of steel, it is essential to lubricate cases before resizing to prevent sticking.
- **Proper Handling:** Always handle the dies with care to avoid injury. Ensure that your hands are dry and clean when handling the dies.
- **Avoid Overloading:** Do not exceed the recommended load data provided in the instructions.
- **Ventilation:** Ensure adequate ventilation when using powders to avoid inhalation of dust or fumes.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident, such as spills or injuries.

Instructions for Installation and Usage

1. Setup:

- Gather all components: Full Length Sizing Die, Bullet Seating Die, Powder Through Expanding Die, Universal Shell Holder, and Powder Dipper.
- Ensure your reloading press is properly set up and securely mounted.

2. Installation:

- Install the Full Length Sizing Die into the press following the manufacturer's instructions.
- Secure the Bullet Seating Die and Powder Through Expanding Die in a similar manner.
- Attach the Universal Shell Holder to the press.

3. Reloading Process:

- Lubricate the cases before inserting them into the Full Length Sizing Die.
- Follow the load data provided in the instructions for powder and bullet selection.
- Use the Powder Dipper to measure the correct amount of powder.
- After resizing, insert the bullet into the case and use the Bullet Seating Die to seat the bullet to the desired depth.

4. **PostUse:**

- Clean the dies after use to remove any residue and ensure longevity.
- Store the dies in a safe place, preferably in their original packaging.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of reloading components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Lee Steel 3Die Pistol Die Set, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these guidelines and precautions, you can ensure a safe and effective reloading experience with the Lee Steel 3Die Pistol Die Set. Always prioritize safety and stay informed about best practices in reloading.
