# Safety Instruction Guide for BREECH LOCK RIFLE 3DIE SET LEE PRECISION 6.5 CREEDMOOR

## Introduction

Thank you for choosing the BREECH LOCK RIFLE 3DIE SET from Lee Precision. This guide provides important safety information and instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in reloading ammunition. Follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, you may receive recall notices. Stay informed about product recalls through official channels.
- **Online Shopping Safety:** If purchased online, ensure that the seller complies with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact details provided with the product.
- **Rapid Alerts:** Stay updated on safety alerts by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the die set.
- **Personal Protective Equipment (PPE):** Wear safety glasses and gloves when handling reloading materials.
- **Work Area:** Use the die set in a wellventilated area, free from distractions. Ensure your workspace is clean and organized.
- **Inspection:** Inspect all components of the die set for damage or wear before use. Do not use damaged dies.
- **Avoid Overloading:** Do not exceed recommended load data when reloading ammunition.
- **Keep Away from Children:** Ensure that all components are stored securely and out of reach of children.
- **Emergency Procedures:** In case of an accident, follow standard emergency procedures and seek medical attention if necessary.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the reloading press is properly mounted and stable.
2. Insert the Universal Shell Holder into the press.
3. Install the Full Length Sizing Die into the press using the provided Smart Lock bushing for easy identification.
4. Follow with the Easy Adjust Dead Length Bullet Seating Die and the Factory Crimp Die, securing each with the Smart Lock bushings.

- **Usage:**

1. **Full Length Sizing Die:** Use this die to resize your brass cases to ensure they fit correctly in your firearm.
2. **Bullet Seating Die:** Adjust the die to achieve the desired bullet seating depth. Test fit with a dummy round if necessary.

3. **Factory Crimp Die:** Use this die to apply a crimp to the bullet, ensuring it is securely held in the case.
4. **Powder Dipper:** Use the powder dipper to measure your powder charges accurately.
5. **Load Data:** Refer to the provided load data for recommended powder charges and bullet weights.

## Disposal Instructions

- Dispose of any unused or expired materials in accordance with local regulations.
- Ensure that all components are disposed of in a safe manner to prevent environmental contamination.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the BREECH LOCK RIFLE 3DIE SET, please refer to the manufacturer's contact information included with the product packaging.

Thank you for prioritizing safety and compliance while using your reloading equipment. Enjoy your reloading experience responsibly!
