

DXT2 BIG DOT FOR GLOCK 20/30S/41 - XS SIGHT SYSTEMS DXT2 BIG DOT FOR GLOCK 20,21,29,30,30S,37,40,41 YELLOW

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS DXT2 Big Dot Night Sights offer the best front sight visibility in all lighting conditions. DXT2 Big Dot sights drive focus to the front sight using an industry leading large, high-contrast front and a low profile V-notch rear. DXT2 Big Dot front sights use a patent pending glow dot that absorbs light and glows in low light levels before it is dark enough to see the tritium. Optic Yellow is the best option for low light and has the brightest glow intensity. Primarily based on the white light spectrum, optic yellow is very reflective and will excite the photoluminescent properties of the dot faster than any other color. The increased surface area of the convex dot increases light absorption, intensifying the charge of the glow properties of the dot. The dot-the "i" sight picture, with a tritium dot in the front sight and a tritium bar in the rear, prevents confusing the front and rear sight in high-stress situations. In most gunfights, the victim and attacker are both moving and the victim's focus is drawn to the threat. The wide field of view increases visibility of the front sight and of the threat downrange. Outside Diameter Big Dot 0.188"; fits in common holsters. Installation might require filing to fit sight to dovetail Fits Glock models 20, 21, 29, 30, 30S, 37, 40, & 41. Do not use a sight press/pusher tool.

DXT2 BIG DOT FOR GLOCK 20/30S/41 XS SIGHT SYSTEMS Safety Instruction Guide

Introduction

Thank you for choosing the DXT2 Big Dot for Glock models 20, 21, 29, 30, 30S, 37, 40, and 41. This guide provides essential safety instructions and precautions to ensure safe usage and installation of your sight system. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the sight.
- Always follow local laws and regulations regarding firearm accessories.
- If you experience any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sight.
- Avoid using the sight in conditions where visibility is severely compromised.
- Do not rely solely on the sight for target acquisition; always be aware of your surroundings.
- In highstress situations, take a moment to ensure proper alignment of the sight.
- Do not use a sight press or pusher tool during installation as it may damage the sight.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools: a small file, cleaning cloth, and any necessary firearm tools.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove the existing sight from your Glock model.
- Clean the dovetail area to remove any debris or residue.
- Fit the DXT2 Big Dot into the dovetail. Note: Filing may be required for a proper fit.
- Ensure the sight is securely positioned and does not move.
- Do not use excessive force when installing the sight.

3. Usage Tips

- Familiarize yourself with the sight picture: the tritium dot in the front and the tritium bar in the rear.
- Practice using the sight in various lighting conditions to understand its performance.
- Regularly check the alignment of the sight to ensure it remains secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer functional, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the DXT2 Big Dot for Glock models, please reach out to your local retailer or manufacturer. Ensure you have the product details on hand for reference.

By following these guidelines, you will enhance your safety and the effectiveness of your DXT2 Big Dot sight system. Thank you for prioritizing safety in your firearm practices.
