

# BIG DOT BEAD PLAIN BARREL FOR MOSSBERG SHOTGUN - XS SIGHT SYSTEMS BIG DOT TRITIUM SHOTGUN BEAD FOR PLAIN BARREL ORANGE

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Big Dot and Standard Dot Night Sights are defensive tritium sights designed to enhance your defense gun. The sights use a proprietary photoluminescent Glow Dot that absorbs ambient light and glows in low light. The convex dot's additional surface area increases light absorption, intensifying the charge of the Glow Dot. Designed to be large and highly visible, these sights help solve many issues, from aging eyes to deteriorating vision. It has been found that the orange front tends to be most visible in daylight settings and that yellow glows brighter in low light, while green is an excellent option for low light and has a very bright glow intensity. XS Tritium Night sights are big, bright, and easy to see day or night!

## Attributes

# BIG DOT BEAD PLAIN BARREL FOR MOSSBERG

## SHOTGUN Safety Instruction Guide

### Introduction

Thank you for choosing the BIG DOT BEAD PLAIN BARREL for your Mossberg Shotgun. This product is designed to enhance your shooting experience with improved visibility in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Always treat your firearm as if it is loaded, even when it is not.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely to prevent unauthorized access, especially from children.
- Familiarize yourself with the operation of your firearm and the installation of the sights before use.
- Always use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure you have a clear and safe shooting area.

### Specific Safety Precautions for Use

- The BIG DOT BEAD is designed for use with Mossberg shotguns only. Do not attempt to use it with other firearm brands or models.
- Ensure the sight is properly installed according to the instructions provided. Improper installation can lead to misalignment and unsafe shooting conditions.
- Inspect the sight regularly for any signs of damage or wear. Do not use the sight if it is damaged.
- Be cautious when using the sight in low light conditions; ensure that you have a clear understanding of your target and surroundings.
- The orange front sight is designed for maximum visibility during daylight. Ensure you are aware of its performance in various lighting conditions.

### Instructions for Installation and Usage

#### Installation

1. **Gather Required Tools:** You will need a screwdriver and any other tools recommended by the firearm manufacturer.
2. **Unload the Firearm:** Ensure your shotgun is completely unloaded before beginning the installation.
3. **Remove Existing Sight:** Carefully remove the existing front sight from your shotgun barrel, following the manufacturer's instructions.
4. **Align the BIG DOT BEAD:** Position the BIG DOT BEAD on the barrel, ensuring it is aligned with the sight channel.
5. **Secure the Sight:** Use the appropriate tools to secure the sight in place. Ensure it is tightly fitted to prevent movement during use.
6. **Check Alignment:** After installation, check that the sight is properly aligned with the barrel.

#### Usage

- Once installed, familiarize yourself with the sight by practicing at a shooting range.
- Adjust your shooting stance and aim to accommodate the size and visibility of the BIG DOT BEAD.
- Regularly practice to maintain proficiency with your firearm and the new sight.

## **Disposal Instructions**

- Dispose of any damaged or unused sights in accordance with local regulations.
- If you are disposing of the product, ensure it is done in a safe manner to prevent any potential hazards to the environment or public safety.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the BIG DOT BEAD PLAIN BARREL, please contact the manufacturer or your local retailer. Always ensure you have the latest information about product recalls or safety notices.

## **Conclusion**

The BIG DOT BEAD PLAIN BARREL is designed to enhance your shooting experience while ensuring safety and visibility. By following the guidelines and instructions outlined in this document, you can enjoy the benefits of improved sighting while maintaining responsible firearm practices. Thank you for your attention to safety.
