

# R3D 2.0 NIGHT SIGHTS FOR GLOCK 17/19/27 - XS SIGHT SYSTEMS

## R3D 2.0 NIGHT SIGHTS STANDARD HEIGHT GLOCK17/19/22/24 GREEN

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS second-generation R3D night sights are engineered to give you a brighter, stronger set of sights. Easily install your sights with a set that requires 50% less force for installation. R3D sights are built to withstand years of EDC use and abuse. The set drives focus downrange using a serrated blacked-out rear sight and a dual-illuminated tritium photoluminescent front sight. R3D sights are the brightest notch and post option for fast and accurate shooting in bright and low light. Fits 17,19,22-24,26,27,31-36,38

# R3D 2.0 Night Sights for Glock 17/19/27 Safety Instruction Guide

## Introduction

Thank you for choosing the R3D 2.0 Night Sights by XS Sight Systems. These sights are designed to enhance your shooting experience by providing a brighter and more robust sighting solution. This safety instruction guide is intended to ensure the safe use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific Glock model (17, 19, 22, 24, 26, 27, 3136, 38).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Inspect the sights regularly for any signs of damage or wear.
- Store the sights in a safe location when not in use.
- Use protective eyewear when installing or adjusting sights.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Be aware of your surroundings when using firearms equipped with these sights.
- Do not attempt to modify the sights in any way, as this may compromise their safety and effectiveness.
- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Avoid using the sights in extreme weather conditions that may affect their performance.
- If you notice any issues with visibility or function, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Workspace:** Choose a clean, welllit area to work. Gather necessary tools, including a punch tool and a hammer.
2. **Unload the Firearm:** Ensure that your Glock is completely unloaded and pointed in a safe direction.
3. **Remove the Old Sights:**
  - Use the punch tool to carefully drift out the existing rear sight.
  - For the front sight, remove the screw (if applicable) or drift it out using the punch tool.
4. **Install the R3D Sights:**
  - Align the rear sight in the dovetail slot and gently tap it into place using the punch tool.
  - For the front sight, align it in the slot and secure it with the screw or drift it into place as necessary.
5. **Check Alignment:** Ensure that both sights are properly aligned and secured.
6. **Test Functionality:** After installation, check the sights under various lighting conditions to ensure they are functioning correctly.

### Usage Instructions

- When aiming, focus on the front sight while keeping the target in your peripheral vision.
- Practice regularly to become familiar with the sight picture and improve accuracy.
- Adjust your shooting stance and grip as necessary to accommodate the new sights.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.

- If the sights become damaged beyond repair, contact local waste management for proper disposal methods.
- Do not dispose of the product in regular household waste; follow local electronic waste disposal guidelines if applicable.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the R3D 2.0 Night Sights, please consult the manufacturer's website or customer service for support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your R3D 2.0 Night Sights. Always prioritize safety and responsible firearm handling.
