

R3D 2.0 SUPPRESSOR HEIGHT NIGHT SIGHTS FOR GLOCK 43X/48 - XS SIGHT SYSTEMS R3D 2.0 OPTIC/SUPPRESSOR FOR GLOCK 43X/48 ORANGE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS second-generation R3D night sights are engineered to give you a brighter, stronger set of sights. Easily install your sights with a set that requires 50% less force for installation. R3D sights are built to withstand years of EDC use and abuse. The set drives focus downrange using a serrated blacked-out rear sight and a dual-illuminated tritium photoluminescent front sight. R3D sights are the brightest notch and post option for fast and accurate shooting in bright and low light. Fits 43x & 48

R3D 2.0 Suppressor Height Night Sights for Glock 43X/48 Safety Instruction Guide

Introduction

Thank you for choosing the R3D 2.0 Suppressor Height Night Sights for your Glock 43X/48. These sights are designed to enhance your shooting experience with improved visibility in various lighting conditions. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new sights.

General Safety Guidelines

- Ensure that the product is used in accordance with local laws and regulations.
- Always handle firearms responsibly and keep them secured when not in use.
- Inspect the sights regularly for any signs of wear or damage.
- Avoid modifying the sights in any way, as this may compromise safety and performance.
- Store the sights in a cool, dry place away from direct sunlight and moisture.
- Always follow the manufacturer's instructions for installation and usage.

Specific Safety Precautions for Use

- **Hazard Awareness:** The installation and use of sights involve handling firearms, which can pose risks if not done correctly. Always treat your firearm as if it is loaded.
- **Installation Force:** Use the recommended force for installation. The R3D sights require 50% less force for installation compared to other models.
- **Shooting Environment:** Be aware of your shooting environment. The sights are designed for both bright and low light conditions, but always ensure a safe backdrop when shooting.
- **Vulnerable Groups:** Keep the product out of reach of children and individuals who are unfamiliar with firearms.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., sight pusher or appropriate screwdriver).

2. Removing Old Sights:

- If applicable, carefully remove any existing sights using the appropriate tool.
- Clean the sight dovetail to remove any debris or residue.

3. Installing R3D Sights:

- Align the R3D rear sight into the dovetail of the slide.
- Gently press the sight into place using the sight pusher, applying even pressure to avoid damage.
- Repeat the process for the front sight, ensuring proper alignment.

4. Final Checks:

- Once installed, check that both sights are secure and aligned correctly.
- Test the sights in a safe environment to ensure proper functionality.

Usage Instructions

- **Aiming:** Utilize the serrated blackedout rear sight and dualilluminated tritium photoluminescent front sight for optimal aiming.
- **Focus:** Drive your focus downrange to improve accuracy and speed.
- **Maintenance:** Regularly clean the sights to maintain visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of in regular household waste.
- If the product is damaged or no longer functional, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the R3D 2.0 Suppressor Height Night Sights, please refer to the manufacturer's contact details or consult your local firearm dealer. Always keep safety as your top priority when using this product.

Thank you for your attention to these safety guidelines. Your commitment to safe handling and usage will ensure an enjoyable shooting experience with your new sights.
