

# OPTIC MOUNT FOR HENRY - XS SIGHT SYSTEMS HENRY OPTIC MOUNTING RAIL FOR HENRY 44 CALIBER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The XS Lever Rail upgrades the Henry .357 to allow for mounting of an optic in multiple positions. Fits Henry Steel Frame, Big Boy, round barrel carbines chambered in .357 Mag. (Does not fit Big Boy .357 Mag X Carbines.) Lightweight, anodized aluminum rail is machined to Picatinny specs and allows scope mounting directly over the receiver, or forward for scout scopes or red dot sights. Installation requires removal of factory rear sight. All screws torque to 20 INCH-pounds; over-torquing can fracture or break screws. The XS Sights Lever Rail will not work on Henry rifles with brass receivers or octagonal barrels. The rail can not be modified to work on them. The XS Sights Lever Rail will not work, nor can it be modified to work, on Henry rifles chambered in .30-30.

## Attributes

- Name: [XS SIGHT SYSTEMS HENRY OPTIC MOUNTING RAIL FOR HENRY 44 CALIBER](#)
- Manufacturer: [XS SIGHT SYSTEMS](#)
- Product no.: 430109203

# Safety Instruction Guide for OPTIC MOUNT FOR HENRY XS SIGHT SYSTEMS

## Introduction

Thank you for purchasing the OPTIC MOUNT FOR HENRY XS SIGHT SYSTEMS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the optic mount by following all instructions.
- Be aware of potential hazards when handling and installing the product.
- Always check for compatibility with your specific Henry rifle model.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The XS Sights Lever Rail is designed for use on Henry rifles with steel receivers only.
- Do not attempt to install the rail on Henry rifles with brass receivers or octagonal barrels, as this may lead to damage or injury.
- Ensure that the screws are torqued to 20 INCHpounds. Overtorquing can fracture or break screws, leading to potential hazards.
- Always verify that the optic is securely mounted before use.
- Inspect the optic mount and the attached scope or sight regularly for any signs of wear or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools including a torque wrench and screwdriver.
- Ensure that the work area is clean and free from distractions.

### 2. Removal of Factory Rear Sight:

- Carefully remove the factory rear sight from your Henry rifle as this is required for installation.

### 3. Mounting the Rail:

- Align the XS Sights Lever Rail over the receiver of the rifle.
- Use the provided screws to attach the rail securely.
- Make sure to torque all screws to 20 INCHpounds to avoid overtightening.

### 4. Optic Installation:

- Once the rail is securely mounted, attach your optic (scope or red dot sight) according to the manufacturer's instructions.
- Ensure that the optic is positioned correctly for your intended use (over the receiver or forward for scout scopes).

### 5. Final Checks:

- Doublecheck all connections and ensure everything is secure before using the rifle.
- Perform a function check to ensure the rifle operates correctly with the new optic mount installed.

## **Disposal Instructions**

- Dispose of any packaging materials and unused parts in accordance with local regulations.
- If disposing of the optic mount, ensure that it is done in an environmentally responsible manner.
- Do not discard the product in regular household waste; check for local recycling programs.

## **Contact Information for Further Support**

For any inquiries regarding the product, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the optic mount.

By following these guidelines, you can ensure the safe and effective use of the OPTIC MOUNT FOR HENRY XS SIGHT SYSTEMS. Thank you for your attention to safety.
