

# R3D 2.0 NIGHT SIGHTS FOR SIG/SPRINGFIELD/FN - XS SIGHT SYSTEMS R3D 2.0 STD HEIGHT NIGHT SIGHT FOR SIG/SPRINGFIELD ORANGE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS second-generation R3D night sights are engineered to give you a brighter, stronger set of sights. Easily install your sights with a set that requires 50% less force for installation. R3D sights are built to withstand years of EDC use and abuse. The set drives focus downrange using a serrated blacked-out rear sight and a dual-illuminated tritium photoluminescent front sight. R3D sights are the brightest notch and post option for fast and accurate shooting in bright and low light. Fits Sig P320, P365, P226, P229; Springfield XD(M)(S)(E), HellCat; FN 509

# R3D 2.0 Night Sights Safety Instruction Guide

## Introduction

Thank you for choosing the R3D 2.0 Night Sights for your firearm. These sights are designed to enhance your shooting experience by providing a brighter and stronger sighting system. This guide contains important safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the R3D 2.0 Night Sights are installed correctly and securely before use.
- Always treat your firearm as if it is loaded and follow all firearm safety rules.
- Keep the sights and firearm out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before use.
- If you notice any defects or issues with the sights, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not modify the R3D 2.0 Night Sights in any way. Modifications can compromise safety and performance.
- Avoid using the sights in conditions that may impair visibility, such as extreme low light or fog, without proper training.
- Always wear appropriate eye and ear protection when using firearms equipped with these sights.
- Ensure that the firearm is pointed in a safe direction at all times when handling or adjusting the sights.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, such as a sight pusher or appropriate screwdriver.
2. **Safety First:** Ensure that your firearm is unloaded before beginning the installation process.
3. **Remove Old Sights:** If applicable, carefully remove the existing sights using the appropriate tool.
4. **Install R3D 2.0 Night Sights:**
  - Align the rear sight in the dovetail slot and press it into place.
  - Install the front sight by aligning it with the designated slot and securing it.
5. **Check Alignment:** Ensure that both sights are aligned properly and securely fastened.
6. **Test Installation:** After installation, test the sights at a safe shooting range to ensure proper functionality.

### Usage Instructions

- Familiarize yourself with the sight picture and alignment before using the firearm for shooting.
- Practice using the sights in a controlled environment to build confidence and proficiency.
- Regularly check the sights for any signs of movement or loosening during use.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the sights become damaged beyond repair, please dispose of them in a manner that complies with local waste disposal guidelines.
- Do not throw away the sights with regular household waste; consider recycling if possible.

## **Contact Information for Further Support**

For any safety inquiries or to report issues with your R3D 2.0 Night Sights, please contact the manufacturer or your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your R3D 2.0 Night Sights. Always prioritize safety and proper handling when using firearms. Thank you for your attention to these important guidelines.
