

DXT 2 Big Dot Night Sights FOR S&W M&P M2.0 - XS SIGHT SYSTEMS DXT 2 BIG DOT OPTIC READY FOR S&W M&P FULL/COMPACT ORANGE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS DXT2 Big Dot Night Sights offer the best front sight visibility in all lighting conditions. DXT2 Big Dot sights drive focus to the front sight using an industry leading large, high-contrast front and a low profile V-notch rear. DXT2 Big Dot front sights use a patent pending glow dot that absorbs light and glows in low light levels before it is dark enough to see the tritium. Optic Orange is designed to offer a high-contrast sight picture when shooting in bright light conditions and maintain its visibility in decreasing light levels. To ensure visibility in low light when uncharged, optic orange is primarily based on yellow with a hint of red. The increased surface area of the convex dot increases light absorption, intensifying the charge of the glow properties of the dot. The dot-the "i" sight picture, with a tritium dot in the front sight and a tritium bar in the rear, prevents confusing the front and rear sight in high-stress situations. In most gunfights, the victim and attacker are both moving and the victim's focus is drawn to the threat. The wide field of view increases visibility of the front sight and of the threat downrange. Outside Diameter Big Dot 0.188"; fits in common holsters. Installation might require filing to fit sight to dovetail. Fits S&W M&P Optic Ready handguns, full size and compact.

Safety Instruction Guide for DXT 2 Big Dot Night Sights for S&W M&P M2.0

Introduction

Thank you for choosing the DXT 2 Big Dot Night Sights for your S&W M&P M2.0. This guide provides essential safety instructions and information to ensure the proper use and maintenance of your night sights. It is important to read and follow these guidelines to maximize safety and performance.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the DXT 2 Big Dot Night Sights. These sights are designed for use with S&W M&P handguns and should not be used with other firearms.
- **Enhanced Recalls:** Stay informed of any recalls or safety notices related to this product. Always check for updates and follow the instructions provided in case of a recall.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations. Verify the product's authenticity and safety standards.
- **Special Consumer Focus:** These sights are intended for use by adults. Keep out of reach of children and ensure that only qualified individuals handle firearms.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products. Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Read the Instructions:** Always read and understand the installation and usage instructions before handling the sights.
- **Proper Handling:** Treat all firearms as if they are loaded. Keep the firearm pointed in a safe direction at all times.
- **Check Compatibility:** Ensure that the DXT 2 Big Dot Night Sights are compatible with your specific model of S&W M&P handgun (full size or compact).
- **Inspect Before Use:** Regularly inspect the sights for any signs of damage or wear. Do not use damaged sights.
- **Use in Appropriate Conditions:** These sights are designed for various lighting conditions but ensure you are in a safe environment when using your firearm.
- **Seek Professional Help:** If you are unsure about the installation or use of the sights, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing sights from your S&W M&P handgun following the manufacturer's instructions.
- Align the DXT 2 Big Dot Night Sights with the dovetail of the handgun.
- Installation may require filing to fit the sight to the dovetail. Proceed with caution to avoid damaging the sight or the firearm.
- Secure the sights in place according to the manufacturer's guidelines.

2. Usage:

- When aiming, focus on the front sight, using the dotthe "i" sight picture for enhanced accuracy.
- Practice shooting in various lighting conditions to become familiar with the sight's performance.
- Regularly clean the sights to maintain visibility and performance.

Disposal Instructions

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of the sights in regular household waste. Instead, take them to a designated recycling or hazardous waste facility.

Contact Information for Further Support

For any questions or concerns regarding the DXT 2 Big Dot Night Sights, please refer to the manufacturer's contact information provided with your product packaging. Always ensure you have access to support for installation, usage, and safety inquiries.

By following these guidelines, you can ensure the safe use and maintenance of your DXT 2 Big Dot Night Sights. Your safety and the safety of others is paramount. Thank you for your attention to these important instructions.
