

# DXT 2 Big Dot Night Sights FOR S&W M&P M2.0 - XS SIGHT SYSTEMS DXT 2 BIG DOT OPTIC READY FOR S&W M&P FULL/COMPACT YELLOW

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS DXT2 Big Dot Night Sights offer the best front sight visibility in all lighting conditions. DXT2 Big Dot sights drive focus to the front sight using an industry leading large, high-contrast front and a low profile V-notch rear. DXT2 Big Dot front sights use a patent pending glow dot that absorbs light and glows in low light levels before it is dark enough to see the tritium. Optic Orange is designed to offer a high-contrast sight picture when shooting in bright light conditions and maintain its visibility in decreasing light levels. To ensure visibility in low light when uncharged, optic orange is primarily based on yellow with a hint of red. The increased surface area of the convex dot increases light absorption, intensifying the charge of the glow properties of the dot. The dot-the "i" sight picture, with a tritium dot in the front sight and a tritium bar in the rear, prevents confusing the front and rear sight in high-stress situations. In most gunfights, the victim and attacker are both moving and the victim's focus is drawn to the threat. The wide field of view increases visibility of the front sight and of the threat downrange. Outside Diameter Big Dot 0.188"; fits in common holsters. Installation might require filing to fit sight to dovetail. Fits S&W M&P Optic Ready handguns, full size and compact.

# Safety Instruction Guide for DXT 2 Big Dot Night Sights for S&W M&P M2.0

## Introduction

Thank you for choosing the DXT 2 Big Dot Night Sights for your S&W M&P M2.0. This guide provides essential safety instructions to ensure the safe installation and use of your new night sights. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is installed and used according to the manufacturer's instructions.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sights for any signs of wear or damage before use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Avoid using the sights in conditions where visibility is severely compromised, such as heavy fog or darkness without adequate light sources.
- Use the sights only on compatible firearms as specified by the manufacturer.
- Do not attempt to modify the sights beyond the recommended adjustments.
- If the sights become damaged or do not function as intended, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing sights from your S&W M&P M2.0 using appropriate tools.
- Align the DXT 2 Big Dot sights with the dovetail of your firearm.
- Installation may require filing to fit the sight properly into the dovetail.
- Secure the sights in place according to the manufacturer's recommendations.

### 2. Usage:

- Familiarize yourself with the sight picture: the “i” sight picture consists of a tritium dot in the front sight and a tritium bar in the rear.
- Practice aiming and focusing on the front sight in various lighting conditions to enhance your shooting skills.
- Maintain situational awareness during practice and real shooting scenarios.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the sights become damaged beyond repair, consult local guidelines for the proper disposal of firearm accessories.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DXT 2 Big Dot Night Sights, please refer to the manufacturer's contact information provided with your product.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the DXT 2 Big Dot Night Sights!
