[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS DXT2 Night Sights are tritium night sights specifically crafted to enhance the performance of your EDC pistol. These defensive sights are meticulously designed with features to ensure optimal visibility in low-light conditions. The front sight utilizes a unique photoluminescent Glow Dot, which absorbs surrounding light and emits a gentle glow when lighting is limited. The convex shape of the dot provides a larger surface area, maximizing light absorption and intensifying the brightness of the Glow Dot. Their primary objective when designing the DXT2 sights was to make them large and highly visible, addressing common issues such as aging eyes and deteriorating vision. During their testing, they observed that the orange front sight is most visible in daylight, while the yellow variant glows brighter in low-light environments. The rear sight features a shallow V shape, ensuring a simple, low-profile design that offers an extensive field of view. To prevent confusion between the front and rear sights in high-stress situations, XS Sights have adopted the "dot-the-i" sight picture. This sight picture consists of a tritium dot in the front sight and a tritium bar in the rear sight, facilitating quick and accurate target acquisition. In most gunfights, both the victim and attacker are in motion, with the victim primarily focused on the threat. The DXT2 Night Sights address these challenges by being big, bright, and easy to see, regardless of the time of day. XS DXT2 Tritium Night Sights serve as exceptional defensive sight choices for your pistol, ensuring the front sight remains visible regardless of lighting conditions. With these sights, you will be prepared for any potential confrontation, regardless of the lighting conditions you're in.

## Attributes

- Name: [XS SIGHT SYSTEMS DXT 2 BIG DOT NIGHT SIGHTS FOR DESERT EAGLE 44/50 YELLOW](#)
- Manufacturer: [XS SIGHT SYSTEMS](#)
- Product no.: 430109233
- Mfr. No.: MR-X001S-5Y
- Model: Desert Eagle
- Sight Color: Yellow
- Style: U Notch
- Weapon type: Magnum Research
- Delivery weight: 0.227kg
- Shipping height: 32mm
- Shipping width: 127mm
- Shipping length: 203mm
- UPC: 647533000895

# Safety Instruction Guide for DXT 2 BIG DOT NIGHT SIGHTS

## Introduction

Thank you for choosing the DXT 2 BIG DOT NIGHT SIGHTS for your Magnum Research Desert Eagle. These sights are designed to enhance your shooting experience, especially in lowlight conditions. This guide provides essential safety instructions to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always handle your firearm with care and follow all safety protocols.
- Ensure that the DXT 2 sights are installed correctly to avoid misalignment.
- Regularly inspect your sights for any signs of damage or wear.
- Keep the sights clean and free from debris to maintain visibility.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a clear line of sight when aiming.

## Specific Safety Precautions for Use

- **Visibility:** The sights are designed for optimal visibility. Ensure that you are familiar with how they appear in both daylight and lowlight conditions.
- **Installation:** Follow the installation instructions carefully to avoid improper alignment.
- **Shooting Environment:** Use the sights in appropriate environments. The yellow variant glows brighter in lowlight conditions, enhancing visibility when needed.
- **Target Acquisition:** Practice using the "dotthei" sight picture to facilitate quick target acquisition.
- **Emergency Situations:** Be prepared for highstress situations by familiarizing yourself with the sighting system during practice sessions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Desert Eagle, following the manufacturer's instructions.
- Align the DXT 2 sights with the mounting points on your firearm.
- Securely fasten the sights in place, ensuring they are properly aligned.
- Check the alignment by looking down the sights to ensure they are straight.

### 2. Usage:

- Familiarize yourself with the sights before using them in a shooting environment.
- Practice aiming with the sights in various lighting conditions to understand their visibility.
- In lowlight situations, rely on the Glow Dot to aid in target acquisition.
- Maintain a consistent shooting stance and grip to maximize the effectiveness of the sights.

## Disposal Instructions

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of sights in regular household waste if they contain hazardous materials.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or performance, please refer to the product packaging for contact information of the manufacturer or authorized dealer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your DXT 2 BIG DOT NIGHT SIGHTS. Always prioritize safety and practice regularly to enhance your skills. Thank you for choosing XS SIGHT SYSTEMS.
