

KUNG FU GRIP - DIE FREE CO KUNG FU GRIP O.D. GREEN

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Designed for AR15/M4 and AR10/SR25 platforms, the Kung Fu Grip has a reduced angle providing a natural fighting posture when firing from modern standing and prone positions. It improves comfort when installed on firearms with a shorter length of pull, but feels right at home on standard LOP platforms as well. The 12° angle brings the average person's hand, wrist, and forearm in line with one another, alleviating tension on the ulnar nerve and increasing freedom of movement of the hand and fingers compared to other grips. The enhanced finger groove allows for a repeatable purchase on the grip and further reduces hand fatigue by discouraging the shooter from white knuckle gripping. FEATURES & SPECS: Designed and Manufactured in the USA Compatible w/ AR15, M4, M16, AR10, M110, SR25, MCX, MPX 12° Grip Angle Durable Nylon Retro Texture NOTE: While compatible with the above mentioned platforms, some configurations may leave an aesthetic gap between the grip tang and receiver. This will not affect the function or reliability of the Kung Fu Grip, or the platform it's installed on.
